RE: Energy and Utilities Shortfall

June 9, 2020

Dear Acting Mayor Kazinskas:

I am requesting **\$40,000** from available **Sewer Surplus** to cover a budgetary shortfall for the **Energy and Utilities** line item **61440 - 52110**.

As you are aware the City took back the Water Distribution and Sewer Collection Systems in July of 2019 and renegotiated the former contract with Suez at that time. As part of that renegotiated contact, the City took responsibility of all energy and utilities invoices including, National Grid, Unitol, Templeton Light Company, Propane, Comcast, Verizon, and other utilities for the first time in over 20 years. The same structure exists in the new contract signed in 2020 with Veolia to operate the water and sewer facilities where the City will pay for Energy and Utilities.

While preparing the budget over a year ago, I underestimated the cost of Energy and Utilities for the Sewer facilities for FY2020.

If you have any questions regarding this matter, please do not hesitate to call.

Sincerely,

Dane E. Arnold, Director  
Department of Public Works

PC: Public Service Committee  
John Richard, City Auditor

**Subject:** RE: City Council Special Meeting - Wednesday, June 24, 2020 at 6:00 PM - Remotely  
**Attachments:** Water Sewer Backup Info 6-24-2020.pdf

Hi Alan

I was asked to provide some backup info for the water and sewer energy and utility shortfall.

Attached are the MUNIS print outs for the line items showing the deficit in each line item ("Available").

The "Actual (Memo)" in the printout is what we have spent year to date, not including the months of May and June bills

I divided the "Actual" by 10 (months) coming up with the average amount spent each month and based my request on what I thought I would need to the end of the year.

\*I did add some to the water estimate based on summer usage is always higher and the pumps are running longer.

I copied the Finance Committee, but could you please distribute to anyone else who may need this information.

If anyone needs anything else, please feel free to give me a call

Thank you,

RE: Cover Material Transfer

June 9, 2020

Dear Acting Mayor Kazinskas:

I am requesting the **\$30,444** from available **Sewer Surplus** to be transferred into the Department of Public Works **New Equipment** line item **14421 - 55123**.

The Sewer Department requires sand to be used for mixing and cover material at the Sludge Landfill. With the City owning a gravel bank and we now use a limited amount of sand for road treatment during the winter, the City has an abundance that can supply the Sewer Department with sand.

We determined that a fair cost of \$3.00 per yard would be charged. Approximately 10,400 yards were used from the City's gravel bank.

If you have any questions regarding this matter, please do not hesitate to call.

Sincerely,

Dane E. Arnold, Director  
Department of Public Works

Re: FY2020 Elections & Registration Supplemental Appropriation

Dear Acting Mayor Kazinskas:

I respectfully request a supplemental appropriation of \$13,500.00 to Elections & Registrations, Operating Expenses. The additional expenses are primarily due to the assumption of all mailing and materials costs associated with Early Voting for the June 2, 2020 Special Preliminary and the approaching June 30, 2020 Special Election, as well as printing costs for thousands of additional absentee ballots to accommodate early/absentee balloting for both elections.

Thank you very much for your attention and consideration.

Very truly yours,

Alan L. Agnelli  
City Clerk
