REGULAR MEETING OF MARCH 15, 2021

PUBLIC HEARINGS**#10399**

President Elizabeth Kazinskas opened the Public Hearing on the Petition by National Grid and Verizon New England, Inc. to install 1 JO Pole on Temple Street beginning at a point approximately 70 feet northwest of the centerline of the intersection of Temple Street and Hospital Hill Road and continuing approximately 60 feet in a northwest direction. Installing 1 new P15-50 between P15 & P16 on Temple Street with Lindsey Sensor, 4G Comm & Transformer. Removal of Existing transformer on P15.

The President announced that Steve Soucy, a representative of National Grid was available to speak at the public hearing in favor of the Petition.

Steve Soucy informed the committee that the reason they are installing this poll is because it is a step down area and the operations and engineering department wanted to put in a new sensor to measure the voltage and the load information for this section of wires in Gardner. He explained that the sensor measures the load and voltage and then sends it out to the engineering department with the information, so if there is low voltage or any problems with the line, national grid would be able to see that in real time.

The President thrice called for persons wishing to testify in opposition of the Petition.

There being none, President Kazinskas closed the hearing at 7:37 p.m.

PUBLIC SAFETY COMMITTEE

#10400

Councillor Craig Cormier informed the committee that after discussing with the Building Commissioner, he brought up the fact that this was a new application and not an application for renewal. Zoning approval is required and he has not been contacted by the business about getting application approval. If the council voted to approve this now, the business owner would be in zoning violation.

**REGULAR MEETING OF MARCH 15, 2021**

There being no objections, the Committee was granted more time to report on *An Application by Blake Motors, for a License to Buy and Sell Second Hand Motor Vehicles, Class 2, on 412 Main Street.*

NEW BUSINESS

Councillor Aleksander Dernalowicz wanted to mention what the Gardner Recreation Department is offering. Currently there are ongoing mini camps. Signups are out for baseball, soccer, field hockey, floor hockey, football, track and tennis. The program will last 4-5 weeks. There is still space for floor and field hockey. Summer recreation pre-registration has started and there's already 100 plus kids registered. This is available for Gardner residents and Gardner Public School children K through seventh grade. The program will be six weeks long from 4th of July to mid-August with full and half day options, early drop off, and lunch is provided. There are also offerings for scholarships that he wanted to highlight. Lynn Sayarath has raised money for the Gardner Recreation Department.

Councillor Judy Mack said that Dan Forte is doing a great job with the Recreation Department. She would like to commend Lynn Sayarath for raising over seven thousand dollars in one weekend.

Councillor Craig Cormier said that he has reached out to the Massachusetts Department of Transportation regarding the Pleasant Street Bridge. He was informed that they will be resuming operations today. They expect to reach full beneficial use by mid-April with full completion by the end of May. He hopes they will be able to resume travel on the Pleasant Street Bridge soon.

Councillor James Walsh wanted to mention the newly established level of communication that has begun between the executive department and the council over the last several months. He appreciates how they take the opportunity to communicate those things to the council and gives them follow ups as things go along. He is confident that things will continue.

They have received a letter from the Mayor that was seven pages long regarding the property located at 177 West Street. She also wanted to mention that she received an email from Councillor Mack right before the meeting that will be submitted for the minutes. It was a correspondence between her and the Law Department.

Councillor Ronald Cormier reported on behalf of the Finance Committee that there was a 2 to 1 vote to recommend to pass the money order in the amount of \$225,500.00. He made a motion to pass the money order of \$265,000.00, seconded by Councillor James Walsh. Another motion was made by Councillor Ronald Cormier, seconded by Councillor James Walsh to amend the amount to \$225,500.00.

- They have received a waiver from DCAM (Division of Capital Asset and Management) to solicit quotes for work rather than seek formal bids
- The lowest quote they did receive was for \$205,000.00. As a good business practice, 10% of the amount is put in as a contingency. This is where the excess comes to \$225,000.00
