

Footsteps2Brilliance

Benefits of the Footsteps2Brilliance App

- ❖ Free to any family with children birth - 3rd grade in the Early Literacy Innovation Zone of North Central Massachusetts
- ❖ Accessible in English and Spanish
- ❖ Works without Internet
- ❖ Increases time spent on literacy outside of the classroom
- ❖ Closes the 30 Million Word vocabulary gap
- ❖ Supports Common Core and Massachusetts Curriculum Framework in Reading, Foundation Skills, and Writing standards
- ❖ Prepares students to be kindergarten ready
- ❖ Helps all children become proficient readers by 3rd grade

Families with children birth - 3rd grade can download and use the Footsteps2Brilliance app for FREE. Parents with enrolled and unenrolled children create their FREE accounts through the Parent Registration Website at:

www.myf2b.com/iz

How do I get my Footsteps2Brilliance account?

School admins, teachers, and student accounts have been created and are ready for use. School admins and teachers received a Welcome email containing their username and password. Student logins can be accessed through the school admin and teacher accounts on Footsteps2Brilliance.

To find your student accounts click [School Admin Resources](#), and then [Class Management](#).

- ❖ Select a class 
- ❖ Click [Student Roster](#) for a quick reference of all of the Super Secret Codes for students in that class.
- ❖ Click [Student Cards](#) to create login cards for students to use at home.
- ❖ Click [Parent Letters](#) to print and send home the students Super Secret Codes.

How to log in

On your smartphone or mobile device, get the [Footsteps2Brilliance App](#) and [Clever Kids University App](#):

You can also access the Footsteps2Brilliance program on your computer at: www.myf2b.com

*Once downloaded, you do not need internet

How the app works

Level 1 is ideally suited for pre- readers and beginning readers.

Level 2 is ideally suited for developing readers and writers.

Level 3 is ideally suited for independent readers and writers.

My Library: interactive ebooks, comprehension games, skill games, and a writing experience.

My Games: fun games that develop mastery of reading and language skills.

My Writing: publishing tool where children can create and share an unlimited number of stories, journals, and reports.
