Citizens Police Academy Application

The Citizens' Police Academy is an educational program designed to offer residents and business owners an opportunity to learn about the Gardner Police Department's practices and services. The program is not intended to train participants to perform law enforcement duties, but to create a nucleus of citizens who are well informed about the department's operations. The training is structured to provide classroom instruction, tours, and demonstrations of the various units of the Gardner Police Department.

Please type or print legibly.
