SCHOOL COMMITTEE REPORT March 2020

Here are some highlights from the month of February at Gardner High School:

- Our winter athletic season has come to an end, and the spring season is beginning soon. All our winter sports teams represented GHS well, and they finished the season strong. Spring schedules will be available soon at <https://www.mwlma.org/public/genie/382/school/1/>
- On February 12th we held a Heart Health Assembly in recognition of Heart Awareness Month. This event was organized by one of our students, Mackinsey Leblanc. A panel of doctors, patients and parents presented to GHS students and answered questions. The assembly was very informative and well received. Thank you Mackinsey for sharing your story.
- The All City School Concert was held on February 25th. Our choral students from throughout the district performed to a full house in the high school auditorium. It was a great night, and the students sounded amazing.
- On February 26th we held our annual Reality Fair at the high school. Juniors were able to go around to different tables set up by businesses and organizations from the community and plan for what it will be like when they are on their own budgeting their money. It was quite a 'reality check' for our students, and they certainly learned a lot. Thank you to Ms. Gelinias for organizing this event and our partners at GFA for their assistance. This was truly a community effort and a great experience for our students.
- The GSA held a dance on February 28th, which was well attended. Students from all grades showed up and danced the night away. Thank you to Ms. Mabardy, Coach Horn and the GSA students for organizing this fun event.
