

The Gardner Cultural Council is currently accepting applications for LCC and PASS grants for projects and events scheduled to take place during 2011. Individuals, non-profits, and cultural organizations are eligible to apply for funding for project support; and schools are eligible to apply for cultural field trips for students or in-class cultural presentations.

**Applications must be received no later than October 15, 2010.** LCC and PASS applications and GCC Guidelines are available on-line at [www.mass-culture.org/Gardner](http://www.mass-culture.org/Gardner).

PLEASE NOTE: Available funding has been cut significantly this year. While the Gardner Cultural Council has been able to fully fund many projects in the past, due to limited funds, we may be more likely to fund those projects that seek partial funding.
