CITY OF GARDNER, MASSACHUSETTS  
CITY COUNCIL FINANCE COMMITTEE  
MINUTES OF MEETING OF JANUARY 15, 2020

---

The Finance Committee meeting was called to order by Council President James Walsh at 12:00 p.m. in the City Council Chamber, Room 219, City Hall. Finance Committee Members Councillors Ronald Cormier and Elizabeth Kazinskas were also present.

Others participating were DPW Director Dane Arnold; Community Development & Planning Director Trevor Beauregard; Community Development & Planning Assistant Director Jeffrey Legros; Human Resources Director Debra Pond; City Auditor John Richard; and, City Clerk Alan Agnelli.

President Walsh asked if anyone present planned to record the meeting, in accordance with the requirements of the Open Meeting Law, as follows:

*Any person may make a video or audio recording of the open session of this meeting so long as it does not interfere with the conduct of the meeting. All documents and exhibits used or referenced at this meeting shall be submitted in duplicate to the City Clerk, as they become part of the minutes of the meeting. Is there anyone present who will be recording this meeting?*

No one responded.

**1-1 Reading and Approval of Minutes of Prior Meeting.**

On a motion by Councillor Ronald Cormier and seconded by Councillor Elizabeth Kazinskas, it was voted to approve the Minutes of the December 11, 2019 Regular Meeting, as printed.

**2-1 #10229, An Order Appropriating \$400,000.00 from Free Cash to Greenwood Pool Demolition Account (In City Council and Referred to Finance, 1/6/2020).**

Councillor Ronald Cormier opened the discussion by recommending that the Order be returned to the Executive Department as there should be an engineering report that identifies whether an imminent danger exists. He said that there should be a preliminary plan for reuse of the land, including the former National Grid Substation parcel, and that a plan should include projected costs and a timeline for implementation.

Councillor Cormier moved to return the Order to the Executive Department for further information, including an engineering report certifying a need for demolition and for a land reuse plan, including the former National Grid Substation parcel that includes projected costs and a timeline for implementation.

Councillor Elizabeth Kazinskas seconded the motion.

On the motion, Councillor Kazinskas recommended that such a Plan be timely submitted to the Council, adding her concern that delays may affect the cost for demolition and/or reuse.

MINUTES OF MEETING OF JANUARY 15, 2020

---

Citing the Mayor's correspondence, President Walsh stated that the Committee needs a better sense for reuse of the parcels, particularly since the Mayor seeks to use \$400,000.00 from Free Cash to demolish the building.

On the motion, it was voted unanimously to recommend that the following Order be returned to the Executive Department for further information, including and engineering report certifying a need for demolition and for a land reuse plan, including the former National Grid Substation parcel that includes projected costs and a timeline for implementation.

AN ORDER APPROPRIATING FROM FREE CASH TO GREENWOOD POOL DEMOLITION ACCOUNT.

ORDER: That there be and is hereby appropriated the sum of Four Hundred Thousand Dollars and No Cents (\$400,000.00) from Free Cash to the Greenwood Pool Demolition Account.

**2-2 #10230, An Order Appropriating \$95,500.00 from Sewer Surplus to Sewer Capital Project Pump Station Upgrades Expense (In City Council and Referred to Finance, 1/6/2020).**

DPW Director Dane Arnold informed the Committee that the appropriation would fund evaluation, design, and construction services for improvements to the Dyer and Coleman Street sewer pump stations. He said that \$600,000.00 is the estimated cost for construction of both stations and that the recent \$1,750,000 Loan Order for sewer main installation and upgrades, which provides for upgrades to the Willis Road Pump Station and the City Hall Avenue sewer upgrades, should have a sufficient surplus to cover the cost of the Dyer Street and Coleman Street upgrades.

On a motion by Councillor Ronald Cormier and seconded by Councillor Elizabeth Kazinskas, it was voted to recommend that the following Order ought to pass:

AN ORDER APPROPRIATING FROM SEWER SURPLUS TO SEWER CAPITAL PROJECT PUMP STATION UPGRADES EXPENSE.

ORDER: That there be and is hereby appropriated the sum of Ninety Five Thousand Five Hundred Dollars and No Cents (\$95,500.00) from Sewer Surplus to Sewer Capital Project Pump Station Upgrades Expense.

**3-1 A Measure Confirming the Mayor's Appointment of Priya Gandbhir to the position of Assistant City Solicitor for term expiring 1/3/2021.**

On a motion by Councillor Ronald Cormier and seconded by Councillor Elizabeth Kazinskas, it was voted to recommend confirmation of the Mayor's Appointment of Priya Gandbhir to the position of Assistant City Solicitor for term expiring 1/3/2021.

President Walsh noted that Atty. Gandbhir is being reappointed.

**3-2 A Measure Confirming the Mayor's Appointment of Dr. Michele Parker to the position of Member, Board of Health, for term expiring 12/31/2022.**

On a motion by Councillor Ronald Cormier and seconded by Councillor Elizabeth Kazinskas, it was voted to recommend confirmation of the Mayor's Appointment of Dr. Michele Parker to the position of Member, Board of Health, for term expiring 12/31/2022.

President Walsh noted that Dr. Parker is replacing Dr. John Mulqueen who recently relocated to another community.

Councillor Kazinskas added that she knows Dr. Parker personally and praised her qualifications.

**3-3 A Measure Confirming the Mayor's Appointment of Robert O'Keefe to the position of Information Technology Director for term expiring 1/7/2023.**

On a motion by Councillor Ronald Cormier and seconded by Councillor Elizabeth Kazinskas, it was voted to recommend to the City Council to confirm the Mayor's Appointment of Robert O'Keefe to the position of Information Technology Director for term expiring 1/7/2023.

President Walsh noted that he has received very good feedback about Mr. O'Keefe's job performance.

**3-4 A Measure Confirming the Mayor's Appointment of Stephen Hirons to the position of Sealer of Weights and Measures for term expiring 1/8/2021.**

On a motion by Councillor Ronald Cormier and seconded by Councillor Elizabeth Kazinskas, it was voted to recommend to the City Council to confirm the Mayor's Appointment of Stephen Hirons to the position of Sealer of Weights and Measures for term expiring 1/8/2021.

**3-5 A Measure Confirming the Mayor's Appointment of Lyndsy Butler to the position of Conservation Agent for term expiring 1/8/2023.**

Community Development & Planning Director Trevor Beauregard informed the Committee that Lyndsy Butler applied for the position of Assistant Director of Community Development and Planning, but the position was given to Jeffrey Legros, the City's Conservation Agent, thus leaving his position vacant.

He said that Ms. Butler worked as Administrator in the Townsend Land Use Department for five years and then as Land Use Coordinator for the past year and formerly worked for the Massachusetts Department of Correction and the Sheriff's Office for eight years. She recently completed her MBA from Fitchburg State University and is currently enrolled in Suffolk University's Public Management Program in Littleton, he added.

---

Continuing, Mr. Beauregard said that Ms. Butler started working as Conservation Agent during the last week of December.

President Walsh expressed concern that she started working before she was appointed by the Mayor and confirmed by the City Council. It was noted that the Mayor did not file a temporary appointment certificate for her.

Mr. Beauregard said that the position needed to be filled right away.

On a motion by Councillor Ronald Cormier and seconded by Councillor Elizabeth Kazinskas, it was voted to recommend to the City Council to confirm the Mayor's Appointment of Lyndsy Butler to the position of Conservation Agent for term expiring 1/8/2023.

4-1 **#10226, Correspondence from the Mayor Relative to the Title and Compensation of the Executive Secretary (Introduced under New Business and referred to Finance, 12/16/2019; More time granted, 1/6/2020).**

Opening the discussion, Councillor Ronald Cormier noted that the Mayor's request to change the position title and to increase compensation at this time has implications beyond this position and suggested that such a change should require input from a new executive administration.

Councillor Cormier moved to return the request to the Executive Department for consideration during the FY2021 Budget process.

Councillor Elizabeth Kazinskas seconded the motion.

On the motion, Councillor Kazinskas cited the current uncertainty of Mayor Hawke's intentions and suggested that the Executive Secretary deserves additional compensation for assuming many more responsibilities since the Executive Aide position has been vacant for a long time. She questioned whether any action could be taken at this time to provide additional compensation during the interim.

Councillor Cormier agreed that the Executive Secretary has assumed many more duties and that her presence is vital; however, the changes in the Mayor's office should be studied along with the other positions and that it isn't appropriate to change the Executive Department staffing structure at this time.

President Walsh noted that the Mayor's correspondence did not include a Job Description and an Ordinance amendment. He suggested that the new Mayor may desire to consider restructuring the staffing and noted that the Mayor did not fill the Executive Aide position for the entire year of 2019. He also said that the Mayor's Office once had a position of Administrative Assistant, but that the Ordinance defining the

position was repealed; however, the Mayor's current Budget contains a line item for Administrative Assistant.

4-2 **An Ordinance Amending the Code of the City of Gardner, Chapter 171 Thereof, Entitled "Personnel" to change Article IX. Vacations for City Officers and Employees, Section 171-36, Other full-time officers and employees; and, by adding new Section 171-37 (a) Conservation/Planning Agent, providing for additional vacation leave.**

Human Resources Director Debra Pond informed the Committee that Mayor Hawke directed her to submit the proposed Ordinance amendments to the Finance Committee, but that the Community Development and Planning Director was better suited to explain the amendments.

Community Development and Planning Director Trevor Beauregard explained that Ms. Butler, the new Conservation Agent, has an extensive work background and education and that she requested three weeks of vacation leave. He said that he discussed the request with the Mayor and that the Mayor agreed to offer her 3 weeks; however, he and the Mayor did not know that the City Code allowed for only 2 weeks. Therefore, he said, the amendment was proposed for a "one-time exception" for only the Conservation Agent, but that vacation leave should be looked at on a case-by-case basis.

Continuing, Mr. Beauregard stated that 4 of the 6 employees in his Department possess undergraduate or advanced degrees or have relevant experience and that without some flexibility, the City is limited in its ability to offer compensation packages to attract qualified persons. He said that when he was hired ten years ago as Economic Development Coordinator, Mayor Hawke and Rob Hubbard granted him with three weeks of vacation leave.

On questioning from President Walsh, Ms. Pond stated that the Mayor advised her that the only position to be considered for the additional week vacation leave is the Conservation Agent's position and that the Mayor did not provide any correspondence to support the request.

President Walsh questioned the authority by which she was hired, noting that she wasn't hired through a 60-day temporary appointment, although she has been on the payroll since the last week of December.

Ms. Pond stated that she was unaware whether the Mayor filed a 60-day temporary appointment, but that she understands that Ms. Butler will continue in the position even though the vacation leave may not be extended.

Continuing, Ms. Pond expressed concern that, if adopted, the Ordinance amendment would "open Pandora's box" as it would affect many other municipal positions, particularly those with similar educational qualifications and/experience. She said that perhaps the City should study the current vacation leave benefits for all positions and

CITY OF GARDNER, MASSACHUSETTS  
CITY COUNCIL FINANCE COMMITTEE  
MINUTES OF MEETING OF JANUARY 15, 2020

---

noted that in 2009, the City amended its non-union vacation leave benefits for department heads by adding a third week upon hire. She added that if a third week of vacation leave is granted to the Conservation Agent, it would then match the vacation leave for all new department heads and those with less than ten years of service in the position.

Councillor Kazinskas questioned whether Ms. Pond is aware of other examples of employees granted vacation leave beyond what is permitted by the City Code.

Ms. Pond responded by saying that she is aware of only Trevor Beauregard's situation, that when he was hired as Economic Development Coordinator, the Mayor directed her to allot 3 weeks of vacation leave to Mr. Beauregard upon his hire, which was beyond that which was permitted by Ordinance. She added that she objected to the additional week, but was overruled by the Mayor.

Councillor Cormier also expressed concern that such an arrangement would "open Pandora's box" and cause confusion.

President Walsh suggested that the issue of vacation leave be studied more comprehensively which should involve the input from the Executive Office.

The Committee suggested that the HR Director study and then formulate a comprehensive plan for vacation leave, as well as a Compensation Plan with steps.

On a motion by Councillor Ronald Cormier and seconded by Councillor Elizabeth Kazinskas, it was voted to recommend to the City Council to refer the Measure back to the Finance Committee for further study and that the Human Resources Director research methods to address vacation leave and compensation issues.

**4-3 An Ordinance Amending the Code of the City of Gardner, Chapter 171 Thereof, Entitled "Personnel" to change Article XIII. Department Head Benefit Time and Longevity Pay, Section 171-53, Vacation, providing for additional vacation leave.**

On a motion by Councillor Ronald Cormier and seconded by Councillor Elizabeth Kazinskas, it was voted to recommend to the City Council to refer the Measure back to the Finance Committee for further study and that the Human Resources Director research methods to address vacation leave and compensation issues.

**5-1 #10231, A Measure Authorizing the City to Enter in Contracts not-to-exceed 5 Years for School Transportation Services (In City Council and Referred to Finance, 1/6/2020).**

On a motion by Councillor Ronald Cormier and seconded by Councillor Elizabeth Kazinskas, it was voted to recommend to the City Council to authorize the City to enter into contracts not to exceed five (5) years for School Transportation Services, pursuant to the provisions of Massachusetts General Law, Chapter 30B, section 12 and under the terms outlined in the Purchasing Agent's December 13, 2019 Memorandum.

**5-2 An Order Relative to the March 3, 2020 Presidential Primary.**

On a motion by Councillor Ronald Cormier and seconded by Councillor Elizabeth Kazinskas, it was voted to recommend to the City Council to adopt the following Order:

PRESIDENTIAL PRIMARY ORDER

WARD COMMITTEE .....CITY OF GARDNER

It is further ordered that the polls shall open at 7:00 o'clock in the morning and close at 8:00 o'clock in the evening.

**5-3 A Measure Authorizing the FY2020 Community Development Block Grant Mini Entitlement Plan.**

Community Development & Planning Assistant Director Jeffrey Legros informed the Committee that the CDBG Application is due by March 6.

President Walsh suggested that Mr. Legros present the Block Grant Mini-Entitlement Plan to the entire Council in an informal session on February 3, 2020, since there are three new Councillors who should become familiar with the program and the process.

On a motion by Councillor Ronald Cormier and seconded by Councillor Elizabeth Kazinskas, it was voted to recommend to the City Council to refer the following Resolution to the Council as a Committee of the Whole:

**FY 2020 COMMUNITY DEVELOPMENT BLOCK GRANT**  
**Mini-Entitlement Plan**

The Committee postponed further action on the Easement until Attorney Phillips completes additional legal research.

**Re: City of Gardner and Heywood Memorial Hospital**

Dear Committee Members:

I am writing to summarize the conclusions set forth in a detailed letter to the Mayor in September of 2019 regarding the lengthy history of a lease arrangement between the City and Heywood Memorial Hospital (the hospital). At that time, the Mayor wanted to know; 1) if the hospital is occupying City-owned land not covered by the current iteration of the lease and if so, 2) how it may be remedied.

After an extensive review of the many documents recited in that letter, I advised the Mayor that, in my opinion, the hospital is currently occupying land that is not included in the current version of the Lease.

Under the original 1968 lease, the hospital leased two parcels of City owned land; one consisting of (8.02 acres) located on the north side of the hospital and another consisting of 1.40 acres located on the south side of the hospital. A series of amendments to the original lease were negotiated and agreed to by and between the parties over the years.

In 1998, the City sold three (3) parcels of land to the hospital. The land sold included all of the 1.40 acre parcel referenced in the original 1968 Lease and other City owned land. The hospital's recent suggestion that the description of the leased land in the 1998 Amendment reducing its leasehold to 2.16 acres was in error and is not supported by the documents or the record of the 1998 transactions. In fact, the hospital's own Resolution, set forth in its Clerk's Certificate of the vote for the hospital's acquisition of the City owned parcels specifies that, "[i]n consideration of a grant by the City...of title to certain land... the Hospital ... shall release to the City the Hospital's leasehold interest in approximately 5.86 acres of land..." (emphasis supplied). The leasehold interest released to the City was a portion of the 8.02 acre parcel. The 1998 Amendment specifies that the reduced size of the original 8.02 acre parcel would continue to be leased by the hospital and "will thereafter contain 2.16 acres." (emphasis added). The hospital's own records support the conclusion that the acreage released to the City and the acreage that would continue to be leased (5.86 + 2.16) equaled the entirety of the original 8.02 acre parcel. I have been

unable to reconcile the hospital's current view that the City intended to allow it to retain a leasehold in 3.13 acres, or that the hospital did not realize it was retaining only 2.16 acres with these documents.

Regardless, the occupation of City-owned land not governed by the lease may be remedied on terms agreed to by and between the parties. A proposed amendment to remedy the matter between the City and the hospital (the Eight Amendment) is enclosed.

The situation is complicated by the rights of a third party, Massachusetts Electric Company (MEC). This public utility holds an easement over a portion of the land currently being occupied by the hospital and not subject to the lease. The hospital was informed of this easement in 1973 and assented to it (see Book 5396, Page 228 in the Worcester County Registry of Deeds; Plan Book 389, Page 38). The hospital was reportedly reminded by MEC of the easement's location during the planning phase for construction of its new parking facility. Nevertheless, the construction and resulting facility encroaches on MEC's easement.

To avoid more costly remedies, MEC has agreed to relocate its easement, and developed and provided to the City a complete package of documents to reflect this relocation.

The proposed Easement Relocation Agreement with MEC requires the City to pay all of MEC's relocation costs, and it includes an estimate of less than \$2,000.00 for these costs. The proposed Agreement also requires the City to guarantee payment for any and all costs, known or unknown, associated with the relocation. I am in the process of seeking some modifications to this proposed Agreement.

To advance this matter, with your approval, I would like to contact the hospital and identify an individual with whom I may correspond regarding the situation, with an eye towards negotiating a payment or reimbursement agreement with the hospital for any financial obligations the City may have under the final Easement Relocation Agreement with MEC.

If you have any further questions or concerns regarding this matter, please do not hesitate to contact me.

Very truly yours,

  
C. Deborah Phillips

**Re: City of Gardner and Heywood Memorial Hospital**

Dear Mayor Hawke:

I am writing to report on my review of the various leases and related documents between the City of Gardner and Henry Heywood Memorial Hospital (the "hospital") over the past 50 years. You have provided me with a letter from the hospital, including the hospital's proposed Amendment Eight, the original 1968 Lease giving rise to the current situation, seven documents labeled Amendment One through Amendment Seven, a 2007 Special Permit granted by the City's Planning Board, a 1998 deed whereby the City conveyed certain land to the hospital, and various easements relating to portions of the same land involving Mass Electric (succeeded by National Grid). In addition to a comprehensive history of the lease arrangements with the hospital over the years since the 1968 Lease was authorized, you would like to know: 1) if the hospital is occupying city-owned land not covered by the current iteration of the lease and if so, 2) how it may be remedied.

In my opinion, the hospital is currently occupying land that is not included in the current version of the lease arrangement. The 2007 Special Permit granted by the Planning Board has no effect on the hospital's leasehold with the City. The occupation of city-owned land not governed by the lease may be remedied on terms as agreed to by and between the parties. Given that there is a third party (National Grid) holding one or more easements over the same land previously or currently leased to the hospital, any amendments to the leasehold may require the involvement of that third party. In light of my review and conclusion, I cannot recommend that the hospital's proposed Eighth Amendment be endorsed by the City. However, I offer an alternative as set forth in the enclosed draft entitled "Eighth Amendment to the Lease." For your reference, all the documents mentioned in this letter are organized in chronological order in the enclosed Appendix, labelled and tabbed 1-10.

In 1968, the hospital leased two parcels of land from the City. See Appendix, at 1. According to that lease, Parcel One consisted of 8.02 acres and is located on the north side of the

hospital. This is the parcel that has become problematic over time. Parcel Two consisted of 1.40 acres and is located on the south side of the hospital.<sup>1</sup>

Thereafter, beginning in 1980, a series of amendments to the 1968 lease were negotiated and agreed to by and between the parties. However, there is no signed copy of one of these amendments, and not all of them were recorded. For purposes of this letter, I refer to every amendment in chronological order, regardless of whether it was signed or recorded.

Amendment 1: signed in October 1980 and recorded in the registry in December 1980, permits the hospital to erect a building on the south side of the hospital. This amendment relates to Parcel Two as described in the 1968 Lease. (Book 7135, Page 310). Appendix, at 2.

Amendment 2: signed in December 1980 and recorded in the registry on the same day as Amendment 1, provides that the hospital shall pay an additional \$600 per year in rent to the City. (Book 7135, Page 314). Appendix at 3.

Amendment 3: dated January 1986, is an Agreement between the City and the hospital whereby the City permitted the hospital to mortgage and assign its interests in land described as Parcel Two in the 1968 Lease. While I have not been able to locate a signed version of this agreement, the City clerk certified the unanimous vote of the city council on January 23, 1986, to so amend the lease. Regardless, it has no import with respect to the other amendments and is recited here to provide a complete picture of the interactions between the City and the hospital concerning the leased premises. (Not recorded in registry). Appendix at 4.

Amendment 4: entitled "Amendment to Lease Agreement (Dated April 9, 1968) Between the City of Gardner and Henry Heywood Memorial Hospital," was prepared in connection with the sale of three (3) parcels of city-owned land to the hospital. It sets forth the terms of the resulting lease arrangement after the sale. The parcels being sold include all of Parcel Two as referenced in the 1968 Lease (the 1.40 acres) and other land as depicted on a plan recorded with the deed (see below). This Amendment amends the 1968 Lease so that the hospital may continue to lease a portion of Parcel One consisting of 2.16 acres following the conveyance. In conjunction with this Amendment the hospital released back to the City its interest in the remaining portion of Parcel One (5.86 acres) effective upon execution of the contract granting title of the three city-owned

---

<sup>1</sup> In 1969, the City granted Mass Electric an easement along Parcel Two recorded in Book 4955, Page 101, and shown on a plan recorded in Plan Book 328, Page 1; the hospital also granted Mass Electric an easement on its property along the southern and eastern boundary of Parcel Two, as recorded in Book 4955, Page 97. See 1969 Plan Book 327 Page 125 for location of this easement.

In 1973, the City granted another easement to Mass Electric, recorded in Book 5396, Page 226, commencing at the westerly side of the easement conveyed in 1969 and extending generally on the west and north side of Parcel One as shown on a plan recorded in Plan Book 389, Page 38; the hospital consented to this further easement, see Book 5396, Page 228.

In 1980, Mass Electric released its rights in the 1969 Easement to the hospital. That release is recorded in Book 6976, Page 118. However, this release does not include a release of the 1973 easement from the city to Mass Electric. See Appendix 11-15.

parcels to the hospital.<sup>2</sup> This Amendment was signed January 26, 1998, but not recorded. Appendix at 5.

On March 26, 1998, a deed conveying three parcels (A, B, and C) to the hospital was recorded in the registry at Book 19750, Page 159. This Deed was also signed on January 26, 1998. It refers to a plan prepared for the City by Szoc Surveyors, recorded in Book 726, Plan 2. Parcel B is the same as Parcel Two in the 1968 Lease. Appendix at 6.

Amendment 5: signed in May of 2000 and recorded in June of 2000, is entitled “Second Amendment,” and refers to the “first amendment” which is Amendment 2 (found in Appendix at 3) herein. (Book 22705, Page 320). Appendix at 7.

Amendment 5 does not recognize Amendment 4, or the hospital’s acquisition of three parcels from the City. It refers to Parcel One as containing 8.02 acres. However, this Amendment was much like Amendment 3. It was prepared to permit the hospital to grant a mortgage for purposes of borrowing money. It was the lender’s responsibility to determine if the document prepared and recorded at that time was sufficient for its purposes. It cannot be considered conclusive between the City and the hospital as to the size of the area the hospital was then leasing from the City.

Amendment 6: signed in July of 2016 and recorded in August of 2016. It is entitled “Third Amendment.” We now know that this amendment is the sixth time that the 1968 Lease was “amended.” In this Amendment 6, the City grants the hospital a right to construct and maintain a solar carport system on a portion of “Parcel 1,” presumably referring to Parcel One in the 1968 Lease. There is no acreage or legal description in this amendment. The carport system is to be located on the “existing parking lot,” and the system is to be built on all or a portion of Parcel 1. (Book 55817, Page 392). Appendix at 8.

Amendment 7: signed in September of 2017 and recorded in October of 2017. It is entitled “Fourth Amendment,” but as we have learned from the above recited history, it is the seventh time the 1968 Lease between the City and the hospital was amended. It specifically permits a charitable project prohibited by the original Lease. It refers to Parcel One as consisting of 2.16 acres and includes a legal description consistent with the legal description in the 1998 amendment (Amendment 4 herein). In my opinion this is instructive, if not conclusive, as it indicates that the parties recently recognized the 1998 transactions. (Book 57862, Page 98). Appendix at 9.

The hospital’s letter of May 2019 asserts that a 2007 Special Permit (Appendix at 10) granted by the Planning Board may inform us as to what the hospital and the City actually agreed to in 1998. The letter explains that in 2007 the hospital applied for and was granted a Special

---

<sup>2</sup> Notwithstanding the view expressed in the hospital’s letter to the City Council of May 20, 2019, I do not agree that the description of the leased land in the 1998 Amendment whereby the acreage of the hospital’s leasehold was reduced to 2.16 acres was an error. Indeed, the hospital’s own Resolution, set forth in its Clerk’s Certificate of vote specifies that, “[i]n consideration of a grant by the City...of title to certain land... the Hospital ... shall release to the City the Hospital’s leasehold interest in approximately 5.86 acres of land...” Parcel One in the 1968 Lease contained 8.02 acres. Amendment 4 specifies that the reduced size of Parcel One (the portion that will continue to be leased by the hospital) will thereafter contain 2.16 acres.  $5.86 + 2.16 = 8.02$ ; the original size of Parcel One.

Permit to expand the northern parking lot, resulting in its present configuration. According to the hospital, the expansion includes land that was included in the 1968 Lease, “with the exception of the slope from the ridgeline down the wooded hillside,” and the hospital states that it includes a portion of land omitted from the 1998 amendment of approximately 3.13 acres. The hospital further states, “[i]t appears that the City’s grant of the Special Permit in 2007 relied on the leased land description from the original 1968 lease, less the wooded hillside.”

The Planning Board relied in this case, as it does in all cases, on the information provided by the applicant, or its representative, when the application is submitted. The applicant is responsible for supplying the Board with ownership information or otherwise demonstrating its right to use land for which it seeks the Special Permit. The Planning Board is not responsible for examining the nature or quality of the title asserted by an applicant. This Board has no authority and does not purport to authorize a use on property in which an applicant has no legal interest. Unless or until an applicant’s right to use property is questioned through the public hearing process, the Board proceeds on the material and information submitted by the applicant. Typically, if a question is raised, the Board will require the applicant to produce further evidence of its right to seek the permit. I reviewed the minutes of the public meetings at which the Planning Board conducted its public hearing on this application. It is fair to conclude that no one questioned whether the size of the area designated for the expansion of the parking lot exceeded the area the hospital was entitled to use at that time. The Planning Board granted the Special Permit as requested. The hospital’s subsequent reliance on the Special Permit to construct parking on 3.13 acres of Parcel One does not shed light on whether the City and/or the hospital made an error in 1998. Nor does it otherwise authorize the hospital’s use of nearly an acre of the City’s land that was not included in the lease that was in effect in 2007.

To date, no documentation has been presented or located suggesting that the City and/or the hospital made a mistake, mutual or otherwise, in 1998. In fact, the documents support the opposite conclusion. The hospital board’s resolution voted on October 14, 1997, specifically states that the consideration for its acquisition of title to certain city-owned land is \$24,500 and the release of its interest in 5.86 acres of Parcel One. See Resolution attached to Amendment 4. The 5.86 acres released by the hospital, added to the 2.16 acres specifically described in Amendment 4, and more recently in Amendment 7, total 8.02 acres, the same as Parcel One in the 1968 Lease. I cannot reconcile the hospital’s view that the City intended to allow it to retain a leasehold in 3.13 acres, or that the hospital did not realize it was retaining only 2.16 acres with these documents. Therefore, I cannot recommend the language in the hospital’s proposed eight amendment.

I understand that the City and the hospital are amenable to rectifying the situation at this time so that the hospital may move forward with its current plans. It must be noted that National Grid (successor in interest to Mass Electric) continues to have an easement over the City’s land that was previously leased by the hospital. See Note 1. Any successful arrangement providing the hospital with the rights necessary for it to move forward with its plans must include National Grid’s

cooperation and agreement. With that in mind, I propose the enclosed Eighth Amendment to the Lease.

I recommend that the city's engineering department review the plan submitted by the hospital with its proposed eighth amendment to ensure that the location of the 3.13 acres is clearly and accurately delineated to the city's satisfaction.

If you have any further questions or concerns regarding this matter, please do not hesitate to contact me.

Very truly yours,

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged under seal, the parties hereto agree as follows:

#### SECTION I - RELOCATION AGREEMENT

1.1 Subject to the term and conditions set forth in this Agreement, the City hereby agrees to execute and deliver the Easement Relocation Documents to MEC within thirty (30) days following the execution of this Easement Relocation Agreement. Upon receipt and recordation of the Easement Relocation Documents and payment of the Estimate, MEC shall record the Partial Release in the form attached hereto as Exhibit C and made a part hereof.

#### SECTION 2 - COSTS AND EXPENSES; PAYMENT

2.1 The City shall be solely responsible for, and hereby agrees to pay the entire cost of, the Easement Relocation including, without limitation, general and administrative costs; the costs to prepare the Easement Relocation Plan; recording fees; and legal fees and expenses as set forth in this Agreement.

2.2 MEC estimates that the total cost of the work done by MEC hereunder is equal to One Thousand Six Hundred and Fifty Dollars (\$1,650.00) (the “Estimate”), and the City hereby acknowledges receipt of this Estimate. The City hereby acknowledges that (a) the Estimate is only a good faith estimate of the total costs that MEC will incur in connection with the Easement Relocation as of the date of the Estimate; (b) that the Estimate may not include all categories of expenses associated with the Easement Relocation; and (c) that the City is responsible for all categories of expenses associated with the Easement Relocation, regardless of whether such categories of expenses are included in the Estimate. Notwithstanding the foregoing, at this time, MEC does not anticipate the total costs to substantially exceed the Estimate.

2.3 Immediately upon the City’s execution and delivery of these presents to MEC, the City shall deliver to MEC the following: (a) a certified check in an amount equal to the Estimate (the “Estimate Payment”). Upon the recording of all of the Easement Relocation Documents and the Partial Release, the City shall pay, on demand, any and all direct and indirect costs and

expenses incurred by MEC in connection with the Easement Relocation to the extent said costs and expenses exceed the Estimate Payment.

### SECTION 3 - CONDITIONS TO MEC'S OBLIGATIONS

3.1 MEC's obligations under this Agreement to deliver the Partial Release to the City are expressly contingent upon (a) the prompt payment to MEC by the City of any and all amounts required to be paid hereunder; (b) the execution, delivery, and recording of the New Easement and the Easement Relocation Plan; (c) MEC shall have received from the City, at the City's sole cost and expense, good, clear, record and marketable title to the New Easement, free and clear of all liens and encumbrances having priority over the New Easement; (d) receipt by MEC of releases, consents, and/or subordinations of any sublessees, assignees, mortgagees or any other party whose interest in the Property has priority over MEC's interest in the New Easement (collectively, the "Subordination Documents") generally in the form attached hereto as Exhibit D and made a part hereof, which Subordination Documents shall be obtained by the City at its sole cost and expense and shall be satisfactory to MEC in its sole but reasonable discretion; (e) receipt by MEC of all votes and authority documents ("Authority Documents") evidencing the City's and, with respect to the Subordination Documents, other such entities authority to enter into, and be bound by, all of the agreements referenced or described herein, which Authority Documents shall be obtained at the City's sole cost and expense and shall be satisfactory to MEC in its sole but reasonable discretion; and (f) the City's compliance with all of the other terms and conditions of this Agreement.

### SECTION 4 - PARTIAL RELEASE OF EASEMENT RIGHTS

4.1 Until such time as a Partial Release has been executed by MEC and recorded with the Registry, nothing in this Agreement shall be deemed or construed as an abandonment or release of any of the rights and easements of MEC, and MEC specifically reserves said rights and easements, including without limitation the rights to clear and keep cleared the Existing MEC Easement of all vegetation and structures that may interfere with its easement, to pass and repass with vehicles and equipment, to reconstruct, maintain, operate, repair, renew, replace, add to and otherwise change any power lines, structures, guys, anchors or other facilities to meet the needs of its business, to construct towers, poles and lines of higher voltage thereon, and to relocate existing and/or future transmission structures, towers, poles and lines, at MEC's cost and expense.

4.2 MEC shall have no obligation to execute and deliver a Partial Release of Easement for portions of the Existing MEC Easement until the conditions set forth in Section 3 hereof have been satisfied.

### SECTION 5 - DEFAULT

5.1 In the event the City shall at any time fail to make any payment due hereunder to MEC or fail to observe or perform any of the other covenants and agreements required to be performed and observed by the City and such default shall continue for a period of thirty (30) days for monetary obligations (for which no notice shall be necessary) or for a period of thirty (30) days after written notice to the City (or if such default is incapable of being cured in a reasonable manner within thirty (30) days, the City has not commenced to cure the same within said thirty (30) day

period and diligently prosecuted the same to completion) and the City shall not cure such default, then subject to the provisions of this Section 5, MEC shall be entitled, at its election, to bring suit for the collection of such payments or other amounts for which the City may be in default, for the performance of any other City covenant or agreement hereunder, including specific performance, and for any damages incurred by MEC, all without terminating this Agreement. MEC shall also be entitled, at its election, to terminate this Agreement. In the event MEC terminates this Agreement, all obligations of MEC shall cease and terminate (except those that expressly survive the termination of this Agreement), except that MEC may sue for and collect all direct and related indirect costs of the Easement Relocation not previously paid by the City and other amounts due as a result of the City's default and all damages to MEC by reason of any such breach.

5.2 In the event that MEC fails to record the Partial Release within thirty (30) days following the recordation of the Easement Relocation Documents, the City shall be entitled to bring suit for specific performance of the recordation of the Partial Release.

#### SECTION 6-MISCELLANEOUS

6.1 This Agreement shall not be assignable, in whole or in part, by the City to any other person or entity, and any such assignment in violation of this provision shall be null and void.

6.2 This Agreement and any amendment hereof may be executed in several counterparts and by each party on a separate counterpart, each of which when so executed and delivered shall be an original and all of which together shall constitute one instrument. In proving this Agreement it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom enforcement is sought.

6.3 The terms and provisions of this Agreement shall be binding upon and inure to the benefit of the respective legal representatives, successors and/or assigns of the parties hereto.

6.4 All Exhibits referred to herein are intended to be and hereby are specifically made a part of this Agreement.

6.5 This Agreement, including the Exhibits, easements, documents, agreements, certificates and instruments referred to herein, embody the entire agreement and understanding of the parties hereto in respect of the transactions contemplated by this Agreement. There are no restrictions, promises, representations, warranties, covenants or undertakings, other than those expressly set forth or referred to herein or therein. This Agreement supersedes all prior agreements and understandings between the parties with respect to the subject of this Agreement.

6.6 The section headings contained in this Agreement are solely for the purpose of reference, are not part of the agreement of the parties hereto and shall not in any way affect the meaning or interpretation of this Agreement.

6.7 Subject to the terms and conditions of this Agreement, each of the parties hereto will use all reasonable efforts to take, or cause to be taken, all action, and to do, or cause to be done, all things necessary, proper or advisable under applicable laws, rules and regulations to complete and make effective the Easement Relocation pursuant to this Agreement. From time to

time after the date hereof, without further consideration but subject to the terms and conditions of this Agreement, the City will, at its own expense, execute and deliver such documents to MEC as MEC may reasonably request in order more effectively to complete the Easement Relocation. From time to time after the date hereof, without further consideration but subject to the terms and conditions of this Agreement, MEC will, at the City's sole cost and expense, execute and deliver such documents to the City as the City may reasonably request in order more effectively to complete the Project.

6.8 Each of the parties hereto hereby represents and warrants to the other party hereto that (a) such party has the power and authority to execute, deliver and perform its respective obligations under this Agreement, and (b) the person(s) executing and delivering this Agreement on behalf of such party are duly authorized to so execute and deliver this Agreement. The City hereby represents and warrants to MEC that the City is the record owner of the Property.

6.9 the City hereby acknowledges that MEC would not undertake the Easement Relocation but for the following, as set forth in this Agreement: (a) the City's agreement to pay for all of the direct and related indirect costs incurred by MEC in connection with the Easement Relocation; and (b) the City's agreement to obtain the Easement Relocation Documents.

6.10 This Agreement shall automatically terminate, be of no further force and effect and without recourse to either party except for those provisions contained herein that expressly survive the termination of this Agreement upon the earlier of (a) completion of the Easement Relocation; or (b) December 31, 2019. The City understands and agrees that, regardless of whether this Agreement is terminated for any reason, including without limitation the City's default hereunder, the City shall be solely responsible and liable for and hereby agrees to pay the entire cost of the Easement Relocation.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their respective duly authorized representatives, under seal, on the day and year first written above.
