RE: Free Cash Orders for Sept 2 Finance Committee, Sept 8 Council Meeting

Dear President Kazinskas and Councilors,

Attached, please find five (5) money orders for consideration at the upcoming meetings of the Finance Committee and the City Council.

All five (5) of these orders are for items that were originally submitted as part of the FY2021 budget, but cut from the operating budget as a way to meet our reduced revenue projections. As I stated in the FY2021 Budget Memo, we cut anticipated revenue by just under eight percent (8%) due to the ongoing pandemic situation. This equates to approximately $600,000. These items were removed to meet the appropriation in our budget for the upcoming fiscal year and are being requested out of free cash as a way to still meet these needs.

The Commonwealth recently enacted legislation that allows municipalities to utilize free cash for purposes like these past the usual July 1st deadline.

Respectfully Submitted,

RE: Free Cash to Fire Department- Various Accounts

Dear President Kazinskas and Councilors,

Attached, please find a request for appropriation from Free Cash for $74,819.00.

The City recently received a grant from the Federal Assistance for Firefighters Grant program to purchase new Self Contained Breathing Apparatus (SCBA). The City received $248,181.82 from the grant and $24,819.00 of the requested funds are being used to purchase the City’s required match for the grant.

The total funding provided through this grant and the requested appropriation will allow us to purchase new SCBA units for all of our current fire personnel. The City currently employs forty (40) full time firefighters, including the Chief and the Captain.

The remaining $50,000.00 portion of the appropriation is being requested to purchase new turnout gear for our firefighters. This is equivalent to the amount that was reduced in the operating budget. This will allow us to have a second set of turnout gear when their first set is being washed. Best practices for fire equipment involves the regular cleaning of turnout gear and protective equipment to reduce the chances of carcinogenic (cancer causing) materials on the clothing from coming into contact with fire personnel.

Dear Mayor Nicholson

I am requesting an appropriation of $74,819 from free cash for the following needs:

$24,819.00 for the City’s share of the $273,000.00 AFG federal grant awarded to purchase new self-contained breathing apparatus.

$50,000.00 for Fire Protective Clothing. This amount will allow for the purchase of a second set of turnout gear (protective coat and trousers) for our Firefighters to wear while their first set is being washed and dried. Cleaning of turnout gear is of paramount importance for the prevention of job related cancer. This amount represents the amount cut from the FY21 budget.

Please contact me with any questions.

Thank you.

RE: Free Cash to Info/Technology Software Account

Dear President Kazinskas and Councilors,

Attached, please find a request for appropriation from Free Cash for $20,800.00.

This request would facilitate the inclusion of the Health Department into our existing ViewPoint Online Permitting Software the Building Department currently utilizes. After our Building Department, the Health Department issues the second largest amount of permits per year. This technology will increase the efficiency of the Health Department, while also enabling the inspectional services departments to work more cohesively.

Though the City had been working toward implementing more and more virtual services, the current COVID-19 Pandemic has certainly highlighted just how important it is for our residents to be able to receive City Hall services from the comfort of their homes. My goal is to eventually have more departments participate in this online software system to increase efficiency and productivity.

Mayor Nicholson,

I am respectfully requesting an appropriation from free-cash in the total amount of $20,800.00 dollars to be approved for the health department to purchase OpenGov Viewpoint Cloud software. Of the total amount the annual software cost would be $9000 dollars per year for health. The professional services deployment cost to set up the program specifically for our department needs is $11,730 dollars. This would include information gathering, process mapping, system template configuration, administrator training and go-live support provided by OpenGov professionals.

This software was something our department has been interested in exploring since the City’s Building Department began using it. This software would be used for the Health Department’s permitting, licensing and code enforcement. Due to the current health pandemic, the software has become even more appealing as this would enable us to complete everything regarding licensing remotely, limiting in person contact here in the office. With our permitting and licensing season around the corner, beginning in the fall, the software would be very beneficial to our department for both ease of use and customer and employee safety.

RE: Free Cash to Police Department Vehicle Account

Dear President Kazinskas and Councilors,

Attached, please find a request for appropriation from Free Cash for $150,000.00.

This appropriation is being requested to purchase three new vehicles for the Police Department fleet. This is in accordance with our existing vehicle rotation program that our department has been following in recent years to ensure that our fleet is safe and up to date.

This appropriation is usually allocated for in the annual operating budget, but is being requested out of free cash this year, due to reductions in revenue projections in the operating budget as a result of the current COVID-19 pandemic.

Mayor Nicholson,

I respectfully request an appropriation from free-cash in the amount of $150,000.00 dollars to be approved for use of the Police Department Vehicles in account 12210-55090.

The basis for this request is centered upon a replacement cycle where the police department has purchased 3 vehicles annually and utilized them in an established rotation. This rotation has allowed a marked cruiser to remain an asset to our fleet for approximately 5-6 years and an unmarked vehicle for 6-7 years. Vehicles kept in service longer than this benchmark often become increasingly costly with major repairs and are in turn unavailable for use. This established rotation takes into consideration recommendations for the particular fleet vehicle in the areas of safety, mileage, maintenance, needed repairs and prior repairs detailed by our fleet mechanics at Gardner DPW. Initial quotes for an outfitted cruiser is $48,000 - $50,000.

The replacement cycle has been established and proven to allow for the maximum use of a police vehicle without the department suffering from the extensive accumulation of service time, major repairs or compromising safety.

Richard A. Braks

Dear President Kazinskas and Councilors,

Attached, please find a request for appropriation from Free Cash for $75,000.00.

This appropriation is being requested in order to replace the current filtration system at the Greenwood outdoor pool. The current filter is over 30 years old and is in rough condition.

SUBJECT: Greenwood Pool Filtration System

Dear Mayor Nicholson:

I am respectfully requesting an appropriation in the amount of $75,000.00 for a new filtration system for the Greenwood outdoor pool facility. The current filtration system is over thirty (30) years old and springing leaks. We will make it through this season, but it will not survive another season. The proposal is to install the new system after the pool closes for the season and before the snow falls so that we will have a turnkey operation in the early summer.

We have a proposal for a Whitten 1U-2C-90 Two-Cell Pressure Sand Filter in the amount of $42,500.00. This is the cost of the filtration system delivered to the site. It does not include:

- Offloading or placement in the filter building;
- Installation by a mechanical contractor/commercial pool contractor; or
- Engineering consultation for preparation of system changes for presentation to the Board of Health.

The estimated cost for these items are included in the appropriation request. Thank you for your consideration. If you have any questions, please contact me.

Sincerely,

### Over Drain

Whitten internal over drain distribution system is carefully designed to provide the most uniform and efficient flows through the filter sand-media bed. Precise distribution of water flow ensures longer filter runs and maximum dirt holding capacity of the filter sand-media bed.
### Access Hatch

An oversized access hatch is standard on all Whitten Pressure filters. With its rectangular shape and a size of 18” x 14”, it allows for easy operator inspection of internal components or media. It features an industrial-grade heavy-duty gasket that is designed to be reused after each inspection. The Whitten gasket eliminates the inconvenience and cost of reordering and replacing gaskets each time you inspect the filter.

### Face Piping

Whitten face piping incorporates user-friendly single lever linkage. This allows operator simplicity by moving one lever in order to activate valves for backwashing. Whitten's standard valves are nylon-coated with undercut wafer for early valve-seating and efficiency.

RE: Items 6-1: A Measure Authorizing An Eight Amendment To The April 9, 1968 Lease Between The City And Henry Heywood Memorial Hospital and 6-2: A Measure Authorizing An Easement Relocation Agreement Between The City Of Gardner And Massachusetts Electric Company. 

Dear President Kazinskas and Councilors,

At the July 29th, 2020 meeting of the Finance Committee, I informed the Councilors that I would provide you with an update regarding the items listed as items 6-1 and 6-2 on the Finance Committee agenda.

My office received notice from Attorney Deborah Phillips (our outside counsel working on the matter) on Wednesday, August 19th, 2020 that National Grid has decided that they will not require subordination from Heywood Hospital. In order to facilitate the conclusion of this matter, the above referenced action is required by the City Council.

Heywood Healthcare has agreed to reimburse the city for any associated recording costs. Given the above information, it is my opinion and that of Attorney Philips that this issue be resolved by adopting the measures and I respectfully request that the City Council vote in favor of them.

Thank you for your attention to these matters.

Respectfully,

Mayor,

Thanks for the conversation last week. To confirm where we are, here follows my understanding of the current status, and next steps.

National Grid has decided that it doesn’t need subordination from the hospital if the 8th Amendment (adding the almost 1 acre of city land to their leasehold) is recorded first in time. Henry Heywood agreed to reimburse the city for costs up to the cap set forth in the attached copy of the “Relocation Agreement” between the city and Grid. You will confirm that agreement with Win Brown and the fact that we don’t need a formal “waiver and indemnification” agreement to insure reimbursement. If you and he are content with a ‘gentleman’s agreement’ on the reimbursement I’m fine with that. It’s a fairly small sum – all things considered. The city will simply invoice the hospital and it will send a check.

In terms of an ‘agenda’ for closing out this whole deal, in accordance with my communications with Grid’s attorney, Grid will take responsibility for recording all the documents. In order to accomplish that, Grid will need;

- The Easement Relocation Agreement signed by you and a check for $1,650.00;
- The original 8th Amendment between the HHH and the City, also signed;
- Assuming the costs to this point don’t exceed $1,650.00, Grid will also record the release of the old easement at the same time;
- If the costs exceed $1,650.00 - up to a cap of $2,500.00 - Grid will record the release when it receives an additional payment from the city if that becomes necessary.

To get to the point where Grid has all of the documents and a check in hand, we need the following approvals;
- Vote that the city through its mayor further amend the 1968 Lease (as set forth in the Eighth Amendment to Lease)
- Vote that the city through its mayor grant the relocation of an easement to National Grid (as set forth in the Easement Relocation Agreement)
- Appropriate $2000.00 to cover the costs of the easement relocation and recording fees.

Grid will send a final for endorsement and remove Exhibit D – the subordination which is no longer needed- but attached is the final (clean) version as edited by me and Grid’s attorney. As I mentioned, they cannot/will not remove the default provisions without an Act of Congress or dispensation from the Pope. It really doesn’t apply anyway, because we will send a city check with the signed documents to Grid’s counsel.

Please don’t hesitate to let me know if you need anything else or have any questions. Thanks again.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged under seal, the parties hereto agree as follows:

SECTION 1 - RELOCATION AGREEMENT

1.1 Subject to the term and conditions set forth in this Agreement, the City hereby agrees to execute and deliver the Easement Relocation Documents to MEC within thirty (30) days following the execution of this Easement Relocation Agreement. Upon receipt and recordation of the Easement Relocation Documents and payment of the Estimate, MEC shall record the Partial Release in the form attached hereto as Exhibit C and made a part hereof.

SECTION 2 - COSTS AND EXPENSES: PAYMENT

2.1 The City shall be solely responsible for, and hereby agrees to pay the entire cost of, the Easement Relocation including, without limitation, general and administrative costs; the costs to prepare the Easement Relocation Plan; recording fees, and expenses as set forth in this Agreement.

2.2 MEC estimates that the total cost of the work done by MEC hereunder is equal to One Thousand Six Hundred and Fifty Dollars ($1,650.00) (the “Estimate”), and the City hereby acknowledges receipt of this Estimate. The City hereby acknowledges that (a) the Estimate is only a good faith estimate of the total costs that MEC will incur in connection with the Easement Relocation as of the date of the Estimate; (b) that the Estimate may not include all categories of expenses associated with the Easement Relocation; and (c) that the City is responsible for all categories of expenses associated with the Easement Relocation, regardless of whether such categories of expenses are included in the Estimate. Notwithstanding the foregoing, at this time, MEC does not anticipate the total costs to substantially exceed the Estimate. It is agreed and understood that the City’s total financial responsibility for the Costs of this Easement Relocation Plan shall not exceed Two Thousand Five Hundred ($2,500.00) Dollars.

2.3 Immediately upon the City’s execution and delivery of these presents to MEC, the City shall deliver to MEC the following: (a) a certified check in an amount equal to the Estimate (the “Estimate Payment”). Upon the recording of all of the Easement Relocation Documents and
the Partial Release, the City shall pay, on demand, any and all direct and indirect costs and expenses incurred by MEC in connection with the Easement Relocation to the extent said costs and expenses exceed the Estimate Payment, up to Two Thousand Five Hundred ($2,500.00) Dollars.

SECTION 3 - CONDITIONS TO MEC’S OBLIGATIONS

3.1 MEC’s obligations under this Agreement to deliver the Partial Release to the City are expressly contingent upon (a) the prompt payment to MEC by the City of any and all amounts required to be paid hereunder; (b) the execution, delivery, and recording of the New Easement and the Easement Relocation Plan; (c) MEC shall have received from the City, at the City’s sole cost and expense, good, clear, record and marketable title to the New Easement, free and clear of all liens and encumbrances having priority over the New Easement; (d) receipt by MEC of releases, consents, and/or subordinations of any sublessees, assignees, mortgagees or any other party whose interest in the Property has priority over MEC’s interest in the New Easement (collectively, the “Subordination Documents”) generally in the form attached hereto as Exhibit D and made a part hereof, which Subordination Documents shall be obtained by the City at its sole cost and expense and shall be satisfactory to MEC in its sole but reasonable discretion; (e) receipt by MEC of all votes and authority documents (“Authority Documents”) evidencing the City’s and, with respect to the Subordination Documents, other such entities authority to enter into, and be bound by, all of the agreements referenced or described herein, which Authority Documents shall be obtained at the City’s sole cost and expense and shall be satisfactory to MEC in its sole but reasonable discretion; and (f) the City’s compliance with all of the other terms and conditions of this Agreement.

SECTION 4 - PARTIAL RELEASE OF EASEMENT RIGHTS

4.1 Until such time as a Partial Release has been executed by MEC and recorded with the Registry, nothing in this Agreement shall be deemed or construed as an abandonment or release of any of the rights and easements of MEC, and MEC specifically reserves said rights and easements, including without limitation the rights to clear and keep cleared the Existing MEC Easement of all vegetation and structures that may interfere with its easement, to pass and repass with vehicles and equipment, to reconstruct, maintain, operate, repair, renew, replace, add to and otherwise change any power lines, structures, guys, anchors or other facilities to meet the needs of its business, to construct towers, poles and lines of higher voltage thereon, and to relocate existing and/or future transmission structures, towers, poles and lines, at MEC’s cost and expense.

4.2 MEC shall have no obligation to execute and deliver a Partial Release of Easement for portions of the Existing MEC Easement until the conditions set forth in Section 3 hereof have been satisfied.

SECTION 5 - DEFAULT

5.1 In the event the City shall at any time fail to make any payment due hereunder to MEC or fail to observe or perform any of the other covenants and agreements required to be performed and observed by the City and such default shall continue for a period of thirty (30) days for monetary obligations (for which no notice shall be necessary) or for a period of thirty (30) days
after written notice to the City (or if such default is incapable of being cured in a reasonable manner within thirty (30) days, the City has not commenced to cure the same within said thirty (30) day period and diligently prosecuted the same to completion) and the City shall not cure such default, then subject to the provisions of this Section 5, MEC shall be entitled, at its election, to bring suit for the collection of such payments or other amounts for which the City may be in default, for the performance of any other City covenant or agreement hereunder, including specific performance, and for any damages incurred by MEC, all without terminating this Agreement. MEC shall also be entitled, at its election, to terminate this Agreement. In the event MEC terminates this Agreement, all obligations of MEC shall cease and terminate (except those that expressly survive the termination of this Agreement), except that MEC may sue for and collect all direct and indirect costs of the Easement Relocation not previously paid by the City and other amounts due as a result of the City’s default and all damages to MEC by reason of any such breach.

5.2 In the event that MEC fails to record the Partial Release within thirty (30) days following the recordation of the Easement Relocation Documents, the City shall be entitled to bring suit for specific performance of the recordation of the Partial Release.

SECTION 6-MISCELLANEOUS

6.1 This Agreement shall not be assignable, in whole or in part, by the City to any other person or entity, and any such assignment in violation of this provision shall be null and void. It is agreed and understood that the City may be reimbursed and/or indemnified by HHH to the full extent of the Costs and liabilities under this Agreement and that such reimbursement and/or indemnification shall not be interpreted as a violation of this Section 6.1 of this Agreement.

6.2 This Agreement and any amendment hereof may be executed in several counterparts and by each party on a separate counterpart, each of which when so executed and delivered shall be an original and all of which together shall constitute one instrument. In proving this Agreement, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom enforcement is sought.

6.3 The terms and provisions of this Agreement shall be binding upon and inure to the benefit of the respective legal representatives, successors and/or assigns of the parties hereto.

6.4 All Exhibits referred to herein are intended to be and hereby are specifically made a part of this Agreement.

6.5 This Agreement, including the Exhibits, easements, documents, agreements, certificates and instruments referred to herein, embody the entire agreement and understanding of the parties hereto in respect of the transactions contemplated by this Agreement. There are no restrictions, promises, representations, warranties, covenants or undertakings, other than those expressly set forth or referred to herein or therein. This Agreement supersedes all prior agreements and understandings between the parties with respect to the subject of this Agreement.

6.6 The section headings contained in this Agreement are solely for the purpose of reference, are not part of the agreement of the parties hereto and shall not in any way affect the meaning or interpretation of this Agreement.
6.7 Subject to the terms and conditions of this Agreement, each of the parties hereto will use all reasonable efforts to take, or cause to be taken, all action, and to do, or cause to be done, all things necessary, proper or advisable under applicable laws, rules and regulations to complete and make effective the Easement Relocation pursuant to this Agreement. From time to time after the date hereof, without further consideration but subject to the terms and conditions of this Agreement, the City will, at its own expense, execute and deliver such documents to MEC as MEC may reasonably request in order more effectively to complete the Easement Relocation. From time to time after the date hereof, without further consideration but subject to the terms and conditions of this Agreement, MEC will, at the City’s sole cost and expense, execute and deliver such documents to the City as the City may reasonably request in order more effectively to complete the Project.

6.8 Each of the parties hereto hereby represents and warrants to the other party hereto that (a) such party has the power and authority to execute, deliver and perform its respective obligations under this Agreement, and (b) the person(s) executing and delivering this Agreement on behalf of such party are duly authorized to so execute and deliver this Agreement. The City hereby represents and warrants to MEC that the City is the record owner of the Property.

6.9 The City hereby acknowledges that MEC would not undertake the Easement Relocation but for the following, as set forth in this Agreement: (a) the City’s agreement to pay for all of the direct and related indirect costs incurred by MEC in connection with the Easement Relocation; and (b) the City’s agreement to obtain the Easement Relocation Documents.

6.10 This Agreement shall automatically terminate, be of no further force and effect and without recourse to either party except for those provisions contained herein that expressly survive the termination of this Agreement upon the earlier of (a) completion of the Easement Relocation; or (b) December 31, 2021 The City understands and agrees that, regardless of whether this Agreement is terminated for any reason, including without limitation the City’s default hereunder, the City shall be solely responsible and liable for and hereby agrees to pay the entire Cost of the Easement Relocation Plan, not to exceed Two Thousand Five Hundred ($2,500.00) Dollars.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their respective duly authorized representatives, under seal, on the day and year first written above.

Good Morning Mr. Flick,

I hope this email finds you well.

Thank you for calling my attention to the typo within the easement. This matter has been rectified and the revised easement is attached hereto.

The sketch attached to our easement clearly shows the former line being removed and relocated to a new location. Once this easement is signed and recorded it will supersede the former easement record that used old Pole 9-4, and establish this new location. Our easements are written according to placement as you will see on page two of the easement, with the wording “...the final definitive locations of said “OVERHEAD SYSTEM” and “UNDERGROUND SYSTEM” shall become established by and upon the installation and erection thereof by the Grantee.” In the future should we wish to use the old location of Pole 9-4, we would have to come to the City and request an easement to do so.

As you are well aware, the reason the line is being moved is to provide ease of access. This ease of access is extremely important in the event of an outage for it allows us to rectify any issues in a fast and efficient manner. This becomes most important when the line is serving an area such as 200 Catherine Street.

I thank you in advance for your time and attention. If I may be of further assistance, please do not hesitate to contact me.

Ms. Morancy,

I am the City Solicitor for the City of Gardner. I have been working to obtain approval for the relocation of the pole and easement on Catherine Street, Gardner. Please see the issues discussed below regarding the proposed easement relocation. One significant concern is the abandonment of the existing ROW. Can you confirm that the existing ROW will be released once the new easement is granted.

John Flick

Hi John,
Has National Grid corrected the error in the easement yet?

National Grid says the poles are co-owned with Verizon. And, Verizon will be responsible for removing the old poles.

Hello all,

Please see notes on attached easement and sketch.

1) There is a typo in the easement. They listed the address as 300 Catherine Street. It should be 200 Catherine Street.

2) Should they remove the easement for the existing overhead utility pole and cabling?

3) Should we note removal of existing utility pole P9-4?

I have contacted National Grid for clarification on the project need.

Also, I need to contact Verizon regarding their portion of the project.

However, said Grantee, its successors and assigns, will properly backfill said excavation or excavations and restore the surface of the land to as reasonably good condition as said surface was in immediately prior to the excavation or excavations thereof.
