FINANCE COMMITTEE MEETING NOTICE

Date: Wednesday, October 14, 2020
Time: 12:00 P.M.
Location: Remotely via Zoom/Broadcast on Gardner YouTube Channel

ANNOUNCEMENT - Any person may make a video or audio recording of an open session of a meeting, or may transmit the meeting through any medium, subject to reasonable requirements of the chair as to the number, placement and operation of equipment used so as not to interfere with the conduct of the meeting. Any person intending to make such recording shall notify the Chair forthwith. All Documents referenced or used during the meeting must be submitted in duplicate to the Chair, pursuant to the Open Meeting and Public Records Law. All documents shall become part of the official record of the meeting.

SCHEDULE OF BUSINESS
(Agenda attached)

1. Acceptance/Corrections to Minutes of Prior Meeting(s).
2. Budget and Orders (Money orders, loan orders, revolving funds, other financial).
3. Appointments, vacancies and other personnel matters.
4. Ordinances and Acceptance of General Laws and Special Acts.
5. Authorizations Required by Statute (Contracts, Election Orders, Grants, etc.).
6. Land Acceptance, Disposal, Easements, etc.
7. Claims, Legal, Rules and Salaries.
8. Departmental Management and organizational matters.
9. Report from the Mayor on the State of the City.

NOTICE: The listing of Agenda items are those reasonably anticipated by the Chairman which may be discussed at the meeting. Not all items listed may in fact be discussed and other items not listed may also be brought up for discussion to the extent permitted by law.

CITY COUNCIL OF GARDNER
Elizabeth J. Kazinskas
ELIZABETH J. KAZINSKAS
Chair, Finance Committee

**Pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §20, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Finance Committee will be conducted via remote participation. The audio recording, transcript, or other comprehensive record of proceedings will be posted on the City's website as soon as possible after the meeting.*

And City Councilors
Gardner City Hall, Rm 121
95 Pleasant St
Gardner, MA 01440

RE: Free Cash to Pool Filtration System Account

Dear President Kazinskas and Councilors,

Attached, please find a request for appropriation from Free Cash for \$75,000.00.

This appropriation is being requested in order to replace the current filtration system at the Greenwood outdoor pool. The current filter is over 30 years old and is in rough condition.

The objective is to have it repaired before the cold weather sets in, with the hopes of having it ready for next year's seasonal operation.

Respectfully Submitted,

Michael J. Nicholson
Mayor, City of Gardner

August 27, 2020

Michael Nicholson, Mayor
City of Gardner
95 Pleasant Street
Gardner, MA 01440

SUBJECT: Greenwood Pool Filtration System

Dear Mayor Nicholson:

I am respectfully requesting an appropriation in the amount of \$75,000.00 for a new filtration system for the Greenwood outdoor pool facility. The current filtration system is over thirty (30) years old and springing leaks. We will make it through this season, but it will not survive another season. The proposal is to install the new system after the pool closes for the season and before the snow falls so that we will have a turnkey operation in the early summer.

We have a proposal for a Whitten 1U-2C-90 Two-Cell Pressure Sand Filter in the amount of \$42,500.00. This is the cost of the filtration system delivered to the site. It does not include:

- Offloading or placement in the filter building;
- Installation by a mechanical contractor/commercial pool contractor; or
- Engineering consultation for preparation of system changes for presentation to the Board of Health.

The estimated cost for these items are included in the appropriation request. Thank you for your consideration. If you have any questions, please contact me.

Sincerely,

Debra A. Pond
Director of Human Resources

Pressure Multi-Cell Filtration System

Whitten pressure sand filters are NSF listed for flows up to 20 GPM per sq.ft. of filter area. Whitten Multi-Cells offer unique space savings which is achieved by stacking multiple filter cells within a single tank.

High quality tank materials for all models are selected based on specific application. Typically, A-36 or SA-516 carbon steel comes in thicknesses of 3/16" through 1/2" or T-304L and T-316L stainless steel also in thicknesses up to 1/2". Standard tanks are sized in

six-inch increments from 36" through 120" diameter. Multiple tanks can be arranged in series to accommodate high volume systems.

- Proven
- Reliable
- Simple
- Affordable

Whitten filter tanks are lined with Unisol 2000 PVC baked coatings to provide a 15 year warranty. Optional linings include epoxy rubber membrane Unisol 2000 R or Hypalon for ozone applications. All linings are NSF approved for installation in Whitten Multi-Cell filters.

Pressure Filtration

Why Whitten Pressure Filters?

- NSF International listed
- Multi-Cell filters reduce floor space requirements
- Filters can be back washed one cell at a time or one tank at a time to avoid overflowing sewer capacity (Rate=15gmp/sf)
- Filtration controls are available in manual, semi-automatic and fully automatic
- High quality tank materials for all models are selected based on specific application
- Affordable upfront investment with low operating costs
- Standard interior tank coating (unisol 2000) baked PVC has over 20 years of proven reliability
- 15-Year limited warranty
- Over 30 years of proven service

Laterals

The laterals in the Whitten Pressure Filtration System are attached to the interior perimeter of the tank by end-nipples which ensure stabilization during periods of backwash and high volume flow.

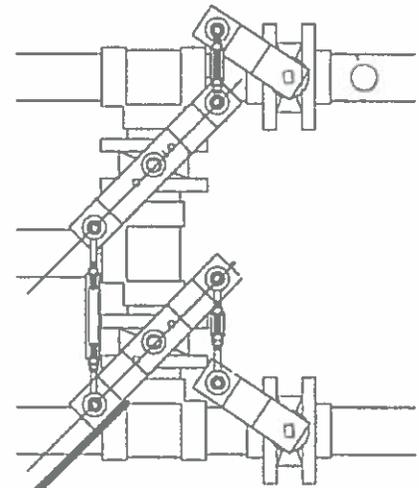

Over Drain

Whitten internal over drain distribution system is carefully designed to provide the most uniform and efficient flows through the filter sand-media bed. Precise distribution of water flow ensures longer filter runs and maximum dirt holding capacity of the filter sand-media bed.

Face Piping

Whitten face piping incorporates user friendly single lever linkage. This allows operator simplicity by moving one lever in order to activate valves for backwashing. Whitten's standard valves are nylon coated with undercut wafer for early valve-seating and efficiency.

Access Hatch

An oversized access hatch is standard on all Whitten Pressure filters. With its rectangular shape and a size of 18" x 14", it allows for easy operator inspection of internal components or media. It features an industrial grade heavy-duty gasket that is designed to be reused after each inspection. The Whitten gasket eliminates the inconvenience and cost of reordering and replacing gaskets each time you inspect the filter.

Subject: Fire Department Vehicle Request
Attachments: Tahoe Quote.pdf

Mr. Mayor,

I would like to submit the following request to you for one (1) new Fire Department staff vehicle to replace the accident damaged 2010 Ford Expedition.

This vehicle ran as "Car 2" (Shift Commander's vehicle) for 10 years and was recently replaced by a 2020 Chevrolet Tahoe. We were planning on re-assigning the Expedition to "Car 6" as a utility vehicle, mostly used by new recruit Firefighters commuting to the Mass Fire Academy Recruit Training Program. The vehicle was damaged in an accident in late 2019, with a local body shop estimate of \$5625.20 damage. Also noted at the time of this estimate was significant corrosion, with an estimate of at least another \$3000.00 to repair, a figure that could easily increase if additional internal corrosion is found. I understand the City has received an insurance settlement of \$2597.70 for the accident damage.

After consulting with Fire Department mechanics, my opinion is repairing this vehicle would not be a good decision for the City. Repair costs for known existing problems total more than the vehicle's value. It has seen heavy use during the 10 years it served as the Shift Commander's vehicle and is worn out.

I am requesting \$40,000.00 to purchase and equip a new 2020 Chevrolet Tahoe SSV (Special Service Vehicle) 4x4. Attached is the quote from Gordon Chevrolet DBA Colonial Municipal Group for \$37,728.70, which includes the trade-in of the 2010 Ford Expedition and two other surplus Fire Department vehicles (2003 Dodge Ram pickup and 2004 Chevrolet Tahoe). Pricing is under the "VEH98" State -bid contract. The additional money requested is for installation of emergency lighting, radios, and command module. In order to keep the cost down, existing equipment in good working order will be transferred from other vehicles. This vehicle is in stock and available for immediate delivery, and is one of the last 2020 model year vehicles available. It will be assigned as "Car 1" (Fire Chief's vehicle), the current Car 1 (2015 Ford Interceptor SUV, 60,000 miles, good condition) will be re-assigned as the utility vehicle "Car 6."

If you have any questions, feel free to contact me.

Respectfully,
Chief Lagoy

RE: Free Cash Appropriation Request for DPW Repairs and Maintenance Acct.

Dear President Kazinskas and Councilors,

Attached, please find a request for Free Cash appropriation for the DPW Repairs and Maintenance Account. This is being requested due to the unexpected cost associated with removing a large public shade oak tree that fell on a resident's house during a recent storm.

Thank you for your attention to this matter.

Dear Mayor Nicholson:

The Department of Public Works is requesting **\$9,975** from available funds to Department of Public Works **Repairs and Maintenance Account (14421-52030)** to pay for an emergency tree removal.

There was a storm event in early August that blew a City Tree onto a resident's home on Abbott Street. In an emergency, the City had to hire a company to provide a crane to remove the tree and the total fee was \$9,975 (invoice attached).

If you have any questions regarding this matter please do not hesitate to call.

RE: Free Cash Appropriation Requests for Tub Grinder

Dear President Kazinskas and Councilors,

Attached, please find a request for Free Cash appropriation for the hiring of a tub grinder service to grind down the pile of tree debris that has collected at the transfer station.

The last time this service was done was when Mr. Bernard Sullivan was the Director of Public Health, and the pile of debris has grown significantly since then.

The cost of this service is being split between the Department of Public Works and the Health Department.

Thank you for your attention to this matter.

Respectfully,

Michael J. Nicholson

Gardner, MA 01440

October 5, 2020

Dear Mayor Nicholson:

The Department of Public Works is requesting **\$16,950** from available funds for the rental of a **Tub Grinder**.

Located at the Transfer Station is an area the City deposits large City Trees and residents bring brush. After several years a large collection of debris has accumulated at the Transfer Station. In the past, the Board of Health has rented a Tub Grinder to grind this debris up and it was paid for out of the Sanitary Landfill Account. Given that much of the material to be ground up is large City Trees, the feeling is the City should at least split the cost of the Tub Grinder rental with the Landfill.

Lauren Saunders, at the Board of Health has solicited several quotes and the lowest total rental fee is \$33,900.

If you have any questions regarding this matter please do not hesitate to call.

Sincerely,

RE: Free Cash Appropriation Request for City Hall Repairs and Maintenance

Dear President Kazinskas and Councilors,

Attached, please find a request for Free Cash appropriation for the City Hall Repairs and Maintenance Account. In early July, a pipe had burst in City Hall. This pipe was the main water supply line for the building and its emergency repair was done by Royal Steam.

This expense was not already allocated for in the operating budget and this request is being put forth to cover the expense of this repair so that the budgeted line item can be used for its initial intended purpose.

Thank you for your attention to this matter.

Respectfully,

Michael J. Nicholson

RE: Free Cash Appropriation Request for Stabilization Account

Dear President Kazinskas and Councilors,

Attached, please find a request for Free Cash appropriation for the Stabilization Account.

After speaking with the City Auditor's Office and representatives from the Department of Revenue, we were informed that in order to have our FY2020 Free Cash certified, we need to complete our FY2019 Free Cash expenditures.

Our existing financial policies state that a request for ten percent (10%) of free cash be appropriated into the Stabilization Account when free cash is initially certified. This is something that the City has done and is something that I plan to request of the City Council when our FY2020 Free Cash is certified. However, given the current revenue uncertainty with the COVID-19 Pandemic, I believe it to be financially prudent to appropriate the remainder of our FY2019 Free Cash into the Stabilization Account.

Our revenue for the current fiscal year is in a stable and comfortable position for the budget that was adopted for FY2021. However, several state officials have raised concerns about revenue trends for FY2022. This request is being done to help us be proactive and have a solution in place should our future revenues be negatively impacted by the pandemic.

Thank you for your consideration of this matter.
