Commission Members' Comments and Reports:

A few complaints have come in recently regarding the cut off times for renting golf carts and the closing hours. Some felt that closing hours used to be dusk and that some people don't even get out of work until at least 4:00 – 5:00pm.

Comments have been brought up to a couple of the Commission Members that the greens are getting smaller and the fringes are getting bigger. Bill will be looking into the matter with the people who do the mowing.

Recently, a tournament was held at the golf course where some golfers were not following the rules of the course in regards to behaviors, etiquette and handling of the golf cart. The course has sets of rules that golfer need to abide by whether it be during a tournament or in a group. Rules need to be enforced with all golfers.

Michael Budwick brought up that some tweaks have been made to the restaurant and that things are running smoother. He would also like to remind staff to be aware of golfers bringing in coolers since the restaurant holds a certain liability if anything should happen due to excessive drinking.

Karen Deneen mentioned that during the Worcester County Tournament she had received a nice compliment about Dan Berry and how organized is.

Financials:

The FY20 Budget and Journal Receipts were reviewed. The New FY20 Budget was posted and reviewed, at this time there were only payroll expenses posted. The Journal Receipts were reviewed and with one update to be made. The updated receipts were sent to all Golf Commission Members. The totals stood pretty much even with last year's totals at this time. Karen Deneen made a motion to accept the financials. Michael Budwick seconded the motion. 5-0, So voted

Next Meeting is scheduled for Monday, August 12, 2019 in the Mayor's Conference Room at 4:30 PM.

David Noyes made a motion to adjourn, seconded by Michael Budwick. 5-0 so voted.

The meeting adjourned at 5:01 PM.

Donna Gallant
