

**REGULAR MEETING OF AUGUST 3, 2020**

Regular Meeting of the City Council was held remotely on Monday evening, August 3, 2020.

CALL TO ORDER

Council President Elizabeth Kazinskas called the meeting to order at 7:30 o'clock p.m.

CALL OF THE ROLL

City Clerk Alan Agnelli called the Roll of Members. Ten (10) Councillors were present including President Elizabeth Kazinskas and Councillors Nathan Boudreau, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Scott Joseph Graves, Karen Hardern, Judy Mack, George Tyros, and James Walsh. Councillor James Boone appeared at 7:35 p.m.

OPENING PRAYER

President Kazinskas led the Council in reciting the Opening Prayer.

PLEDGE OF ALLEGIANCE

President Kazinskas led the Council in reciting the "Pledge of Allegiance".

OPEN MEETING RECORDING & PUBLIC RECORDS ANNOUNCEMENT

President Kazinskas announced that pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §20, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Gardner City Council will be conducted via remote participation and broadcast live on Gardner Educational Television, Channel 8, and on the City's YouTube Channel. The audio or video recording, transcript, or other comprehensive record of proceedings will be posted on the City's website as soon as possible after the meeting. She added that since the meeting is being conducted via **Zoom**, that all votes taken would be by roll call and asked Councillors to raise their hands to be recognized.

READING & ACCEPTANCE OF MINUTES

On a motion by Councillor Ronald Cormier and seconded by Councillor James Walsh, on call of the roll, it was voted ten (10) yeas, President Elizabeth Kazinskas and Councillors Nathan Boudreau, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Scott Joseph Graves, Karen Hardern, Judy Mack, George Tyros, and James Walsh, to waive reading and to accept the Minutes of the June 24, 2020 Special Meeting and the July 6, 2020 Regular Meeting, as printed.

REGULAR MEETING OF AUGUST 3, 2020

PUBLIC HEARINGS**#10288**

President Elizabeth Kazinskas opened the continued Public Hearing on the Petition by National Grid for permission to install 197' of conduit starting at 307 Park Street and heading north to Pole 40 Clark Street (address 324 Park Street). The corrected Notice was acknowledged.

The President called for persons wishing to testify in favor of the Petition.

Robert Williams, representing National Grid, testified that the issues were the same as presented at the July 6, 2020 hearing.

Councillor Judy Mack noted that the abutters' concerns were very valid ever since the National Grid substation was built off Park Street.

On a motion by Councillor Nathan Boudreau and seconded by Councillor James Walsh, it was voted on call of the roll, eleven (11) yeas, President Elizabeth Kazinskas and Councillors James Boone, Nathan Boudreau, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Scott Joseph Graves, Karen Hardern, Judy Mack, George Tyros, and James Walsh, to adopt the following Order:

ORDER FOR ELECTRIC CONDUIT LOCATION

By the City Council of the City of Gardner, Massachusetts

ORDERED:

Notice having been given and a public hearing held as provided by law, that the NATIONAL GRID be and is hereby granted permission to excavate the public highways and to run and maintain underground electric conduits, together with such sustaining and protecting fixtures as said company may deem necessary, in the public way or ways hereinafter referred to, and to make the necessary house connections along said extensions, as requested in petition of said company dated the 13th day of May, 2020.

Said underground conduits to be located substantially in accordance with the plan filed herewith marked – Park Street & Clark Street - Gardner, Massachusetts. Plan #28039529.

The following are the public ways or parts of ways under which the underground electric conduits above referred to may be laid:-

Park Street & Clark Street – National Grid to install ~197' of conduit starting at 307 Park Street and heading north to Pole 40 Clark Street (address 324 Park Street).

REGULAR MEETING OF AUGUST 3, 2020

#10296

President Elizabeth Kazinskas opened the Public Hearing on a Petition by National Grid for permission to install 6 SO poles on Clark Street beginning at a point approximately 25' northwest of the centerline of the intersection of Racette Avenue and Clark Street and continuing approximately 700' in a northwest direction.

The President called for persons wishing to testify in favor of the Petition.

Robert Williams, representing National Grid, testified that the new poles will service the new feeder for solar generation.

Dr. Robin Leger, 69 Clark Street, an Abutter, stated that her property is situated at the junction of Racette Avenue and Clark Street and that Pole 9 is located in front of her house. She said that there is "an unwired pole" located on her property, about 40 yards from the street that serves as an anchor for all other poles. She expressed concern that there are trees on her property that hang over the wires and may cause damage to the lines due to a storm.

Mr. Williams recommended that Dr. Leger contact National Grid Customer Service to file a work order for tree limb trimming.

Dr. Leger noted that she is not opposed to the proposed work, but that National Grid should provide her with assurance that the tree work be performed. President Kazinskas and Councillor Boudreau will work with her and National Grid.

The President again called for persons wishing to testify in favor of the Petition.

There being none, the President thrice called for persons wishing to testify in opposition.

There being none, President Kazinskas closed the Hearing at 7:53 p.m.

ORDER

#10304

Councillor Ronald Cormier informed the Council that he discussed the Continuing Appropriation Budget with the Mayor and that the Mayor conversed with DOR [Local Services] and was assured that it is early enough in the month of August for the Council to take action. He added that the Mayor will be submitting a FY2021 Budget to the Council before its September meeting.

Councillor Scott Graves asked whether the question of the Council acting on the Continuing Appropriation Budget was posed to Local Services or perhaps the Council should insert retroactive language in the Order.

Councillor James Walsh responded, saying that the Mayor indicated that he received "an affirmative" [from DLS] if he presented the full month of August Budget Order at this time. He added that the City's payroll obligations will be satisfied as employees are paid later in the week.

On a motion by Councillor James Walsh and seconded by Councillor Ronald Cormier, on recommendation of the Finance Committee, it was voted on call of the roll, eleven (11) yeas, President Elizabeth Kazinskas and Councillors James Boone, Nathan Boudreau, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Scott Joseph Graves, Karen Hardern, Judy Mack, George Tyros, and James Walsh, to adopt the following Order:

#10306

On a motion by Councillor Craig Cormier and seconded by Councillor Karen Hardern, it was voted on call of the roll, eleven (11) yeas, President Elizabeth Kazinskas and Councillors James Boone, Nathan Boudreau, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Scott Joseph Graves, Karen Hardern, Judy Mack, George Tyros, and James Walsh, to refer *An Application by House of Peace and Education, Inc., d/b/a HOPEful Boutique, for a License to Deal in Second Hand Articles at 29 Pleasant Street* to the Public Safety Committee for study and report.

#10307(a)

On a motion by Councillor Ronald Cormier and seconded by Councillor James Walsh, it was voted on call of the roll, eleven (11) yeas, President Elizabeth Kazinskas and Councillors James Boone, Nathan Boudreau, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Scott Joseph Graves, Karen Hardern, Judy Mack, George Tyros, and James Walsh, to adopt the following Measure:

ACCEPTANCE OF NATIONAL GUARD ARMORY
POLL SITE IMPACT REPORT

VOTED: To accept the National Guard Armory Poll Site Impact Report, in accordance with Section 11 of Chapter 115 of the Acts of 2020.

NATIONAL GUARD ARMORY POLL SITE IMPACT REPORT

As required by Section 11 of Chapter 115 of the Acts of 2020

Purpose

Due to the recent sale of the Knights of Columbus Hall and its unavailability for continued use as a polling facility, a review of available publicly-accessible facilities within the boundaries of Ward 5 was undertaken.

Review

A comprehensive review of publicly-accessible facilities in Ward 5 identified the National Guard Armory, located at 323 West Broadway (Route 2A), as the only site that, with temporary modifications, meets the criteria for accessibility, public convenience, public health (i.e. COVID-19), spaciousness,

REGULAR MEETING OF AUGUST 3, 2020

affordability, and long-term use potential. The City utilized the Armory as the Ward 5 polling site from the early 1970's through the mid 1980's.

Survey

A survey conducted for accessibility for the National Guard Armory found that the installation of a portable 8' ramp with handrails at the main entrance, coupled with the proper siting of three temporary Accessible parking signs, would achieve compliance. The Main entrance doors, the interior doors leading to the Assembly Hall, and the paths of travel from the parking lot to the front entrance, are compliant.

Convenience and Safety

The Armory is a secure, State-owned and managed facility with a very large assembly hall for voting, providing for greater social distancing and ample room for voters to assemble before approaching the voting booths. Plentiful parking is available off-street in the large fenced-in parking lot and there is ample on-street parking, as well.

Impact

The location of the Armory would not have a disparate adverse impact on access to the polls on the basis of race, national origin, disability, income or age. The Armory is conveniently located near the crossroads of Route 68 (Timpany Boulevard) and Route 2A (West Broadway), is approximately 6/10 of a mile from the former Knights of Columbus Hall, and along both MART Bus Routes (1 & 2).

SPECIAL MEETING OF JUNE 24, 2020

Special Meeting of the City Council was held remotely via Zoom on Wednesday evening, June 24, 2020.

CALL TO ORDER

Council President Elizabeth Kazinskas called the meeting to order at 6:00 o'clock p.m.

CALL OF THE ROLL

City Clerk Alan Agnelli called the Roll of Members. Nine (9) Councillors were present including Council President Elizabeth Kazinskas and Councillors Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Scott Joseph Graves, Karen Hardern, Judy Mack, George Tyros, and James Walsh. Councillor James Boone appeared at 6:06 p.m. Councillor Nathan Boudreau was absent.

OPEN MEETING RECORDING & PUBLIC RECORDS ANNOUNCEMENT

President Kazinskas announced that pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §20, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Gardner City Council will be conducted via remote participation and broadcast live on Gardner Educational Television, Channel 8, and on the City's YouTube Channel. The audio or video recording, transcript, or other comprehensive record of proceedings will be posted on the City's website as soon as possible after the meeting. She added that since the meeting is being conducted via **Zoom**, that all votes taken would be by roll call and asked Councillors to raise their hands to be recognized.

#10291

Reporting for the Finance Committee, Councillor Ronald Cormier informed the Council that the DPW Director reported that Suez formerly operated the City's sewer distribution system, that the City assumed control last year, and that the City accepted the energy and utilities cost estimate from Suez. The estimate was short and that \$40,000 should cover the remainder of the fiscal year.

Councillor Cormier moved to adopt the following Order:

AN ORDER APPROPRIATING FROM SEWER SURPLUS TO SEWER, ENERGY AND UTILITIES.

ORDERED: That there be and is hereby appropriated the sum of Forty Thousand Dollars and No Cents (\$40,000.00) from Sewer Surplus to Sewer, Energy and Utilities.

Councillor James Walsh seconded the motion.

SPECIAL MEETING OF JUNE 24, 2020

On the motion, Councillor Graves questioned the reason that the estimate was far off, adding that he thought that sewer rates were increased. He said that the City had a contract with Suez and suggested that perhaps the City should have changed companies and expressed his wish that the City had asked the Contractor for the reason that their estimate was off.

Councillor Walsh said that the Director indicated the Suez bid was a lump-sum bid.

On the motion, on recommendation of the Finance Committee, on call of the roll, it was voted nine (9) yeas, President Elizabeth Kazinskas and Councillors Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Scott Joseph Graves, Karen Hardern, Judy Mack, George Tyros, and James Walsh, to adopt the following Order:

AN ORDER APPROPRIATING FROM SEWER SURPLUS TO SEWER, ENERGY AND UTILITIES.

ORDERED: That there be and is hereby appropriated the sum of Forty Thousand Dollars and No Cents (\$40,000.00) from Sewer Surplus to Sewer, Energy and Utilities.

Presented to the Acting Mayor for Approval – June 25, 2020

Approved – June 25, 2020

ELIZABETH J. KAZINSKAS, Acting Mayor

#10292

Reporting for the Finance Committee, Councillor Ronald Cormier informed the Council that the Committee voted favorably to recommend passage of the Order. He said that EarthTech [then Suez] operated the sludge landfill for the past 20 years and that the contractor provided the cover material for the landfill. The Director informed the Committee that the City supplied the sand for the cover and that he arrived at a cost of \$3.00 per yard at 10,400 yards, payable to the City from the Sewer Enterprise Account. The Director also reported that he had no specific piece of equipment in mind for the appropriation, but something related to the hauling of sand to the Landfill. The Auditor assured the Committee that the funds could be encumbered into the next fiscal year, he added.

Councillor Judy Mack expressed concern that the Department has no clear plan for the appropriation.

Councillor James Walsh stated that he brought the issue [of no specific equipment] to the attention of the Director and that the new Mayor could use the funds as part of the new fiscal year's budget, which would be a decision for the Mayor to make.

Councillor James Boone asked, "What would prevent the DPW from spending on July1?"

SPECIAL MEETING OF JUNE 24, 2020

Councillor Walsh responded, saying that he asked the Director whether the funds would be expended by the end of the Fiscal Year and was advised that it is unlikely. Secondly, he said, that spending the funds on July 1 would deprive the new Mayor of the opportunity to manage the budget. "Possible, yes, but unlikely," he added.

On the motion, on recommendation of the Finance Committee, on call of the roll, it was voted six (6) yeas, President Elizabeth Kazinskas and Councillors Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, George Tyros, and James Walsh; four (4) nays, Councillors James Boone, Scott Joseph Graves, Karen Hardern, and Judy Mack, to adopt the following Order:

AN ORDER APPROPRIATING FROM SEWER SURPLUS TO PUBLIC WORKS DEPARTMENT, NEW EQUIPMENT.

ORDERED: That there be and is hereby appropriated the sum of Thirty Thousand Four Hundred Forty-Four Dollars and No Cents (\$30,444.00) from Sewer Surplus to Public Works Department, New Equipment.

Presented to the Acting Mayor for Approval – June 25, 2020

Approved – June 25, 2020

ELIZABETH J. KAZINSKAS, Acting Mayor

#10293

Reporting for the Finance Committee, Councillor Ronald Cormier informed the Council that the Committee voted favorably to recommend passage of the Order. He said that the funds pay electrical and utility costs for the water distribution system – water pumps, etc.

Councillor James Boone stated that he spoke with the former Mayor [Hawke] and that the figures used for the Budget were estimates.

On the motion, on recommendation of the Finance Committee, on call of the roll, it was voted ten (10) yeas, President Elizabeth Kazinskas and Councillors James Boone, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Scott Joseph Graves, Karen Hardern, Judy Mack, George Tyros, and James Walsh, to adopt the following Order:

AN ORDER APPROPRIATING FROM WATER SURPLUS TO WATER, ENERGY AND UTILITIES.

ORDERED: That there be and is hereby appropriated the sum of Sixty Thousand Dollars and No Cents (\$60,000.00) from Water Surplus to Water, Energy and Utilities.

Presented to the Acting Mayor for Approval – June 25, 2020

Approved – June 25, 2020

ELIZABETH J. KAZINSKAS, Acting Mayor

SPECIAL MEETING OF JUNE 24, 2020

#10294

Reporting for the Finance Committee, Councillor James Walsh informed the Council that the Committee voted favorably to recommend passage of the Order. He said that the deficit in operating expenses is attributable to expenses associated with the special municipal elections – materials and postage costs for mailing Early and Absentee ballots. He added that the Clerk reported that the account would not have a deficit if not for these items.

On the motion, on recommendation of the Finance Committee, on call of the roll, it was voted nine (9) yeas, President Elizabeth Kazinskas and Councillors James Boone, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Karen Hardern, Judy Mack, George Tyros, and James Walsh; one (1) abstention, Councillor Scott Joseph Graves, to adopt the following Order:

AN ORDER APPROPRIATING FROM FREE CASH TO ELECTIONS AND REGISTRATIONS, OPERATING EXPENSES.

ORDERED: That there be and is hereby appropriated the sum of Thirteen Thousand Five Hundred and No Cents (\$13,500.00) from Free Cash to Elections and Registrations, Operating Expenses.

Presented to the Acting Mayor for Approval – June 25, 2020

Approved – June 25, 2020

ELIZABETH J. KAZINSKAS, Acting Mayor

ADJOURNMENT

On a motion by Councillor Judy Mack and seconded by Councillor James Boone, on call of the roll, it was voted ten (10) yeas, President Elizabeth Kazinskas and Councillors James Boone, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Scott Joseph Graves, Karen Hardern, Judy Mack, George Tyros, and James Walsh, to adjourn at 6:17 p.m.

Accepted by the City Council:

**REGULAR MEETING OF JULY 6, 2020**

Regular Meeting of the City Council was held remotely on Monday evening, July 6, 2020.

CALL TO ORDER

Council President Elizabeth Kazinskas called the meeting to order at 7:30 o'clock p.m.

CALL OF THE ROLL

City Clerk Alan Agnelli called the Roll of Members. Ten (10) Councillors were present including Councillors Nathan Boudreau, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Scott Joseph Graves, Karen Hardern, Elizabeth Kazinskas, Judy Mack, George Tyros, and James Walsh. Councillor James Boone was absent.

OPENING PRAYER

President Kazinskas led the Council in reciting the Opening Prayer.

PLEDGE OF ALLEGIANCE

President Kazinskas led the Council in reciting the "Pledge of Allegiance".

OPEN MEETING RECORDING & PUBLIC RECORDS ANNOUNCEMENT

President Kazinskas announced that pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §20, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Gardner City Council will be conducted via remote participation and broadcast live on Gardner Educational Television, Channel 8, and on the City's YouTube Channel. The audio or video recording, transcript, or other comprehensive record of proceedings will be posted on the City's website as soon as possible after the meeting. She added that since the meeting is being conducted via **Zoom**, that all votes taken would be by roll call and asked Councillors to raise their hands to be recognized.

READING & ACCEPTANCE OF MINUTES

On a motion by Councillor Ronald Cormier and seconded by Councillor James Walsh, on call of the roll, it was voted ten (10) yeas, President Elizabeth Kazinskas and Councillors Nathan Boudreau, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Scott Joseph Graves, Karen Hardern, Judy Mack, George Tyros, and James Walsh, to waive reading and to accept the Minutes of the June 15, 2020 Regular Meeting, as printed.

PUBLIC HEARING**#10288**

President Elizabeth Kazinskas opened the Public Hearing on a Petition by National Grid for permission to install 197' of conduit starting at 370 Park Street and heading north to Pole 40 Clark Street.

REGULAR MEETING OF JULY 6, 2020

The President called for persons wishing to testify in favor of the Petition.

Robert Williams, representing National Grid, testified that the conduit provides infrastructure and interconnection points for EG services in the Gardner area.

Councillor James Walsh questioned Mr. Williams, noting that the Petition seeks to authorize 197 feet of conduit at approximately 370 Park Street northerly to Pole 40. Back on October 7, 2019, he said, the Council passed an Order for electric conduit on the Petition by National Grid for a length of 1,100 feet of conduit starting at 370 Park Street heading north to Pole 1 on Clark Street. He noted that the new Petition seeks to place conduit beginning at the same place to run in the same direction for 197 feet instead of 1100 feet, so he questioned if the new Petition is a substitution for the first Order.

Mr. Williams responded affirmatively, saying that National Grid needs only 197 feet of conduit to Pole 40.

Councillor Walsh suggested that under "New Business," he intends to propose rescinding the original Order, Council #10165, "assuming that the new Petition is granted."

The President twice called for persons wishing to testify in favor of the Petition.

There being none, the President thrice called for persons wishing to testify in opposition.

Councillor Graves informed the President that he is monitoring Facebook and that Judy Tysinger, an Abutter, is attempting to log in but that "it won't accept."

Councillor Walsh suggested that since there is nothing else to be done at this point, that the Public Hearing be suspended while the resident attempts to join the meeting and, if successful, the President could then reopen the hearing.

President Kazinskas suspended the Hearing at 7:39 p.m.

****During the suspended portion of the Hearing, discussion continued under #10288, Public Service Committee Reports.**

At 7:47 p.m., President Kazinskas reopened the Hearing since abutter Judy Tysinger was able to log into the Zoom meeting.

Judy Tysinger, 323 Park Street, expressed opposition to the Petition. She said that the Plan accompanying the Petition did not correspond, as the Petition indicated that the underground conduit would begin at 370 Park Street, but that the Plan indicated otherwise. She added that this has been consistent with National Grid, "they tell the City one thing and then do something else."

REGULAR MEETING OF JULY 6, 2020

President Kazinskas questioned Councillor Boudreau, Chairman of the Public Service Committee, asking whether the Committee was notified that there was a typographical error in the Petition – that the address should read “307 Park Street,” instead of “370 Park,” – and that all of the Abutters were contacted.

Councillor Boudreau concurred, saying that there was an issue with the address.

President Kazinskas suggested that the address be noted as “307 Park Street.”

Mrs. Tysinger said that she wasn’t notified that there was change in the address, that there was an error.

Councillor Walsh moved to amend the Petition to read “307 Park Street.”

Councillor Boudreau seconded the motion.

On the motion, Councillor Mack informed the Council that the Public Service Committee amended the Petition to “307” at its meeting.

President Kazinskas questioned whether all abutters were notified of the Hearing, regardless of whether the Notice stated “370 Park versus 307.”

The City Clerk responded, “That is correct.”

Councillor Walsh stated that he appreciated that the Public Service Committee recommended that it be amended to “307,” but what is before the Council is “370” and the Petition needs to be amended to “307” by the Council.

Councillor Graves questioned Councillor Walsh’s comments, asking if he means that the Petition be postponed until the next meeting.

Councillor Walsh replied, saying that he is recommending that the Petition be amended from “370” to “307,” as the Council has to act on it as that is the item before it. “Assuming that it is amended, I don’t see the reason for it to be postponed,” he added.

Councillor Graves said that his only question would be whether or not the notice to the abutters would be valid or proper because the notice read “from 370 Park Street.”

Councillor Boudreau said that the Clerk and DPW Director advised that all abutters were notified; however, he would not be opposed to re-notifying the abutters with the correct address information since it is a substantial change.

Councillor Mack stated that the Petition error was brought to the Clerk’s attention today “to make sure this is correct.” She read the response from NGRID, as follows: “I don't see the address

REGULAR MEETING OF JULY 6, 2020

being 370 as be[ing] a problem. The original petition of 1100' was approved using the same address. All this address typo will have done is over inform homeowners outside of what is actually required." Councillor Mack added that she disagrees because "obviously 307 to 370 is outside" the address range.

Citing the NGRID Plan, Councillor Dernalowicz suggested that 307 Park Street seems to be in the middle of the proposed conduit, so the issue needs to be addressed prior to re-noticing the public hearing.

Councillor Graves said that he appreciated the information from Councillor Mack that National Grid is incorrect. He asked if Mrs. Tysinger was provided with the revised plan by the DPW and questioned whether her objections are due to the planned construction or because the notice wasn't correct.

Judy Tysinger said that they were notified of "370 Park to Clark Street" and not notified that there would be construction in front of her house and what is [shown] on the map, "which is different than what is stated [on the Petition]."

Councillor Walsh suggested that the Hearing be postponed until the next appropriate meeting and that a new notice be sent to the Abutters and which would provide the Clerk with an opportunity to send notices based on the "307 Park Street" address.

Mr. Williams said that National Grid's sketches indicate that the beginning of the conduit is not in front of 370 Park Street, but that "Pole 40 is more in front of 307 Park Street."

On a motion by Councillor Walsh and seconded by Councillor Graves, on call of the roll, it was voted ten (10) yeas, President Elizabeth Kazinskas and Councillors Nathan Boudreau, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Scott Joseph Graves, Karen Hardern, Judy Mack, George Tyros, and James Walsh, to amend the Petition description to read: "... starting at 307 Park Street and heading north to Pole 40 Clark Street."

Councillor Walsh moved to postpone the hearing and action to a future date, whether regular or special meeting, after the amended/corrected notice is issued.

Councillor George Tyros seconded the motion.

The City Clerk informed the Council that a seven-day notice is required to abutters and that a revised Plan would be sought from National Grid, one that would provide abutters with clearly-defined boundaries.

Councillor Graves questioned whether there is any urgency to the Petition, expressing concern that some residents could be affected by a delay in the Council's approval of the Petition.

REGULAR MEETING OF JULY 6, 2020

Mr. Williams responded, saying that the conduit would serve EG sites in particular (solar purposes).

Councillor Walsh stated that he believed that the particular solar array [to be serviced by the conduit] is at the Fish and Gun Club and added that the continued hearing could be conducted along with the second Petition (#10296). He also noted that in the past, the City Engineer signed-off the Petition.

On the motion, on call of the roll, it was voted ten (10) yeas, President Elizabeth Kazinskas and Councillors Nathan Boudreau, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Scott Joseph Graves, Karen Hardern, Judy Mack, George Tyros, and James Walsh, to postpone the hearing and action to a future date – regular of special – after the amended/corrected notice is issued.

PETITIONS, APPLICATIONS, COMMUNICATIONS, ETC.

#10295

President Kazinskas announced that she would recuse herself from participation and voting on Calendar #10295 due to a potential conflict. She called upon Councillor James Walsh to assume the Chair and then stepped down.

On a motion by Councillor Craig Cormier and seconded by Councillor George Tyros, on call of the roll, it was voted nine (9) yeas, and Councillors Nathan Boudreau, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Scott Joseph Graves, Karen Hardern, Judy Mack, George Tyros, and James Walsh; one (1) excused, President Elizabeth Kazinskas, to refer *An Application by Gardner Ten Pins, Inc., 560 West Broadway, for Renewal of a Bowling Alley License* to the Public Safety Committee for study and report.

Councillor Walsh stepped down and President Kazinskas resumed the Chair.

#10296

On a motion by Councillor Nathan Boudreau and seconded by Councillor Judy Mack, on call of the roll, it was voted ten (10) yeas, President Elizabeth Kazinskas and Councillors Nathan Boudreau, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Scott Joseph Graves, Karen Hardern, Judy Mack, George Tyros, and James Walsh, to refer *A Petition by National Grid for permission to install 6 SO poles on Clark Street beginning at a point approximately 25' northwest of the centerline of the intersection of Racette Avenue and Clark Street and continuing approximately 700' in a northwest direction* to the Public Service Committee for study and report and to schedule a Public Hearing.

REGULAR MEETING OF JULY 6, 2020

REPORTS OF STANDING COMMITTEESPUBLIC SERVICE COMMITTEE**#10288**

Councillor Nathan Boudreau, Chairman of the Public Service Committee, reported that the Committee voted in favor of recommending that the *Petition by National Grid for permission to install 197' of conduit starting at 370 Park Street and heading north to Pole 40 Clark Street* be granted with the condition that wherever the ground is broken, that they repair "from berm-to-berm." He said that he "is hesitant to make the recommendation since the resident has loudly made her opinions heard over the last couple of weeks and has not had the opportunity to speak on the record." "But," he said, "I'll leave it in your favor and move to approve the Petition with the condition that the company repairs the street from berm-to-berm as it has been completed in the last five years, per City Ordinance."

Councillor Boudreau then moved to grant the Petition of National Grid for permission to install 197' of conduit starting at 370 Park Street and heading north to Pole 40 Clark Street.

Councillor Graves seconded the motion.

On the motion, Councillor Walsh questioned whether there has been any indication that the resident has been able to participate in the hearing. "If not," he said, "I leave it to the Council President's discretion as to whether to hold over the hearing until the next meeting or anticipate that there may be one or more special meetings before the next regular meeting." He said that the item may be added to one of the special meetings, so that the resident may have the opportunity to participate in the public hearing.

President Kazinskas agreed, suggesting that the hearing be continued to allow the resident to be heard.

Councillor Walsh moved to continue the matter until the next special or regular meeting.

Councillor Boudreau seconded the motion.

Councillor Karen Hardern informed the President that she had a message from Judy Tysinger saying that she is able to log into the meeting.

Councillor Graves informed the Council that Judy Tysinger is telling him the opposite. "We gave her Mr. O'Keefe's phone number to call him and she said that it will not let me call and then trying to connect with the correct Zoom number and not able to get in," he said.

Councillor Walsh suggested that the delay will give the resident an opportunity to send written documentation, in addition to having the opportunity to participate in the public hearing at the next meeting.

REGULAR MEETING OF JULY 6, 2020

At this time, Mrs. Tysinger was able to log in and the Council President reopened the Hearing (PUBLIC HEARING, #10288).

NEW BUSINESS

Councillors expressed their appreciation to Council President Kazinskas for “a great job” in her dual role as Acting Mayor.

Councillor Craig Cormier extended “kudos” to the City Clerk’s staff and election officials for a very successful election.

Councillor Walsh informed Councillors that he had planned to seek rescission of the Order granting National Grid permission to construct 1100 feet of conduit starting at 370 Park Street and heading north to Pole 1 Clark Street, adopted on October 7, 2019 under Calendar #10165); however, since the Hearing has been continued, that he will seek to include the Measure on the August 3, 2020 Council Calendar.

Councillor Walsh congratulated Michael Nicholson on his recent election as Mayor and credited all candidates for placing their names on the ballot, adding that it takes courage to do so.

CLOSING PRAYER

President Kazinskas led the Council in the Closing Prayer.

ADJOURNMENT

On a motion by Councillor Craig Cormier and seconded by Councillor Nathan Boudreau, on call of the roll, it was voted ten (10) yeas, President Elizabeth Kazinskas and Councillors Nathan Boudreau, Craig Cormier, Ronald Cormier, Aleksander Dernalowicz, Scott Joseph Graves, Karen Hardern, Judy Mack, George Tyros, and James Walsh, to adjourn at 8:13 p.m.

Dear President Kazinskas and Councilors,

My office received a request to provide a writing sample from Attorney Kolodny. I have attached this sample to this letter.

This is a memorandum that I asked Attorney Kolodny to draft when I started office and noticed that there are many commissions in which all members are currently operating under expired terms. This memorandum is his response to my inquiry of how to properly appoint these positions.

Please let me know if you have any questions on this matter.

Respectfully Submitted,

Re: Mayoral Appointment Authority Inquiry

Dear Mayor Nicholson:

You have requested an opinion from the City Law Department concerning your authority to make various appointments to city positions that have become vacant. Specifically, you have inquired whether you have legal discretion to make staggered appointments for positions that have become vacant wherein the terms of those appointments are either defined via statute or by city ordinance.

First, by way of background, a discussion of city "executive" organization involves an analysis into the office of the mayor in different contexts. The usual distinction concerning the definition of the office of mayor is whether it is a "strong mayor" or "weak mayor" plan. The "weak mayor" plan now in use in Massachusetts generally has the following characteristics: (1) an elected mayor; (2) an elected city council with committees that examine the details of city administration, and which have the approval power for most appointments and dismissals; (3) appointed department heads; and (4) administrative boards elected or appointed for overlapping terms. This form of governance has largely been seen as undesirable as it provides insufficient authority to the mayor to oversee the various responsibilities for the city. Moreover, in the case of a mayor serving a shorter term, it provides little to no opportunity for the mayor to plan and undertake longer initiatives.

The "strong mayor" plan, which the City of Gardner follows (albeit existing as more of a "moderately strong" mayor plan), generally provides that the mayor: (1) may hire and fire most department heads; (2) may veto council actions; (3) may prepare and submit a proposed budget for council action; and (4) may administer the budget after its adoption. With a "strong mayor" plan, the city council's function is typically more legislative and policy-oriented, while the mayor's role is administration and leadership via the authority to recommend measures and veto council actions.

As you know, there are several types of city charters under M.G.L. c. 43. In the case of a “strong mayor” plan under a plan B charter, the mayor is responsible for appointing all heads of department and members of municipal boards, except the school committee, officers appointed by the governor, and assessors if elected by the voters, as their terms of office expire. See M.G.L. c. 43 § 60. Section 6 of the City of Gardner’s Charter also lays out these same appointment provisions, indicating that the mayor, subject to confirmation by the city council, shall appoint all heads of departments and members of municipal boards except for a specific grouping of positions which are laid out in the Charter (school committee, the city clerk, city treasurer, city auditor, and city collector of taxes, or officials appointed by the governor).

A plain reading of M.G.L. c. 43 § 60 in tandem with § 6 of Gardner’s Charter would seem to indicate that you, as the mayor, have appointment authority for all positions that may be deemed “heads of department” or “members of municipal boards” with the exception of the five positions highlighted above and officials appointed by the governor. Thus, the question becomes, what positions fall outside of this purview and under the authority of the city council and does your appointment authority extend to instances not specifically delegated in the Charter (i.e. positions defined by statute wherein the term length is addressed in the statute)?

In order to answer this question, it is worth analyzing the Appeals Court’s discussion in Mayor of New Bedford v. City Council of New Bedford, 13 Mass. App. Ct. 251, 431 N.E. 2d 956 (Mass. App. 1982). In that case, the Code of the City of New Bedford provided that appointments were to be made by the mayor subject to confirmation by the city council. However, the New Bedford city council passed an ordinance over the veto of the mayor which provided for the appointment of the clerk of committees by the city council. The mayor challenged this ordinance arguing that it contravened M.G.L. c. 43 § 60, which provides that in a plan B city such as New Bedford, the mayor is to appoint all heads of departments, subject to confirmation by the city council. The trial judge disagreed and held that the clerk of committees is not a head of a department within the meaning of § 60 and ultimately the case was appealed to the Appeals Court.

Upon review, the Appeals Court affirmed the trial judge’s finding that the clerk of committees is not a department head. More importantly, however, the Appeals Court determined that implicit in the Charter and recognized in M.G.L. c. 31 § 48 pertaining to civil service offices and positions “is the authority of the city council to make such appointments as are necessary to carry out its legislative responsibilities, subject, however, to such appropriation and other powers as may be held by the mayor.” Id. at 256. In so holding, the Appeals Court held that the duties of the clerk were exclusively to assist the conduct of the legislative branch of the city government and were “quite different from those which involve ‘employees or officers in ordinary city departments’ or those who perform ‘the usual municipal functions.’” Id. at 253 quoting Daly v. Mayor of Medford, 241 Mass. 336, 338 (1922). The fact that the office of the clerk of committees was treated as a “department” for fiscal and other purposes was determined

to be of no significance. Rather, the inquiry was in regard to the duties and functions of the position which, in that case, were found to be legislative in nature.

Mass. Gen. Laws Chapter 43 does not expressly grant to a city council the authority to appoint administrative assistants or other employees. Rather, the only explicit appointment power given to the city council is contained in M.G.L. c. 43 § 18 authorizing the appointment of a city clerk. Nevertheless, the Appeals Court in that case held that “[t]he absence of a specific grant of authority is. . . not indicative that the city council lacks appointment power.” *Id.* at 255. “We see no policy reason why the city council may not determine that the clerk of committees, a position in fact legislative, should be subject only to the appointing authority of the city council. . . To require. . . that staffing for the legislative branch of the city government be initiated by the mayor is not conducive to the efficient functioning of city government.” *Id.* at 256.

While the above-referenced case would seem to expand the implied appointment powers for the city council, this holding must be read in conjunction with the language of the Charter and the specific statutes for which your appointments are being made. For example, a brief review of the statutes pertaining to the Conservation Commission (M.G.L. c. 40 § 8C) and Zoning Board of Appeals (M.G.L. c. 40A § 12) indicate that the mayor (subject to confirmation of the city council) holds appointment authority for members of each department. Moreover, explicit in both statutes is the authority for the mayor to fill vacancies if/when they should arise. Specifically, both statutes indicate that vacancies shall be filled for unexpired terms in the same manner as in the case of original appointment, i.e. by the mayor.

Unfortunately, neither statute nor any other enacted act of record appears to address the question of whether this appointment authority extends over the term lengths imposed in the statutes. For example, the Conservation Commission statute states that “[w]hen a commission is first established, the terms of the members shall be for one, two or three years, and so arranged that the terms of approximately one third of the members will expire each year, and their successors shall be appointed for terms of three years each.” Similarly, the Zoning Board of Appeals statute states that terms will be for “such length and so arranged that the term of one member shall expire each year.” Absent, however, is any language expressly authorizing appointments by the mayor when those terms have expired or have not been renewed.

You have asked our office whether you, as the mayor, may make commission appointments for terms that have expired or have not been renewed in order to facilitate the staggering of terms? First, with regard to your specific question, it is worth noting that there is nothing in the legislation or within Gardner’s Charter that explicitly prohibits you from making such appointments. Moreover, it is our legal opinion that this mayoral authority should be implicitly read into the statutes and that you, as the mayor, have discretion to make such appointments as are necessary to carry out the responsibilities of the positions and boards. While the above-referenced statutes provide for the staggering of positions and specific term lengths, the practical implications of prohibiting a mayor

from making such appointments as he/she deems necessary in order to allow for the continuity of these boards and positions would be in stark contrast to the original intent of the statutes. Thus, from a public policy standpoint, it also makes sense to allow for these appointments in order to return these commissions and boards back to a staggered schedule, which was the original intent of the statutes. Lastly, as stated above, the statutes expressly grant authority to the mayor to make appointments when a vacancy occurs. Thus, just as the Appeals Court in Mayor of New Bedford v. City Council of New Bedford held that requiring staffing for a legislative position be initiated by the mayor is “not conducive to the efficient functioning of city government,” so may be the case with hampering the procedures for a mayor to fill vacancies in city government.

Please let me know if you have any additional questions.

Yours very truly,

A handwritten signature in black ink, appearing to read 'Ethan Kolodny', with a long horizontal flourish extending to the right.

Re: August Continuing Appropriation Budget

Dear President Kazinskas and Councilors,

As you are aware, Chapter 53 of the Acts of 2020 allows municipalities to submit "Continuing Appropriation Budgets" (commonly referred to as 1/12th budgets) to the Department of Revenue's Division of Local Services beyond the July 1 start of the 2021 Fiscal Year and on a monthly basis until a full operating budget is adopted, but no later than September 30.

While I have begun the process of drafting the City's annual operating budget, the time constraints of having departments meet with their respective Council Committees to review their budget submissions, has led me to draft the attached continuing appropriation order for the month of August.

Please let me know if you have any questions on this matter.

Very Truly Yours,

Michael J. Nicholson
Mayor

“CONFIDENTIAL ATTORNEY-CLIENT COMMUNICATION” *

M E M O R A N D U M

To: Acting Mayor Kazinskas
From: John M. Flick, City Solicitor
Re: S2680
Date: June 9, 2020
Cc: John Richard, City Auditor

As we discussed, on Friday, June 6, 2020 Governor Charles Baker signed Senate Bill S2680 which addressed certain matters regarding municipal governance during the COVID-19 emergency. A copy of the bill was sent to you under separate cover. Section 11 of this bill addresses the budget process for cities.

DISCUSSION

M.G.L. c. 44, § 32 requires a mayor to submit an annual budget to the City Council within 170 days after the annual organization of the city government. This process has been interrupted in Gardner by two factors, the absence of a mayor as occasioned by the resignation of Mayor Mark Hawke, and the COVID-19 emergency which has delayed the election of a new mayor.

Specifically related to the COVID-19 emergency, S2680 provides extensions to facilitate a mayor’s submission of an annual budget to the city council for review and consideration. This new statute extends all deadlines set forth in M.G.L. c. 44, § 32 by 60 days after the Governor’s March 10, 2020 state of emergency is lifted. However, the mayor must submit the proposed annual budget within 30 days of the emergency order being lifted, or July 31, 2020 whichever is earlier, leaving the city council with 30 days to act on the annual budget. Given that the City is less approximately thirty days away from having a new mayor duly elected, and there is no

indication from the Governor that the emergency order will be lifted by the end of June, this extension provides ample time for the new mayor to review and submit a budget to the city council for consideration. However, it may be prudent for the City Auditor to provide advance copies of the FY20 budget and any proposed budget to the two final candidates for mayor allowing the candidates to begin their preparation of City's annual budget in anticipation of their possible election.

In order to facilitate the on-going operation of the City beyond the end of FY20, on June 30, 2020, S2680 also provides a mayor with the authority to submit a "continuing appropriation budget" to the city council to fund the operations of the City on a month to month basis "for a period not to exceed 3 months." This authority applies only if a FY21 budget has not been adopted. Please note that S2680 specifically requires that the mayor submit the "continuing appropriation budget" to the city council. The statute is unclear as to whether this submission is for information purposes or to seek the approval of the council. It is the Law Department's recommendation that any continuing appropriations budget permitted by S2680 be approved by the council as the council possess the power of appropriation.

There is no specific guidance in S2680 regarding the nature or amount of the month to month appropriation. However, previous COVID-19 emergency acts limited the mayor's authority in this situation to the submission of an appropriation equal to 1/12 of the FY20 annual budget, essentially allowing one month of spending. *See Chapter 53 of the Acts of 2020*. Thus, it is my legal opinion that the limitation on a continuing appropriation as set forth in S2680 would be equal to 3/12 of the FY20 budget. This is the maximum allowed by S2680; a mayor could request a continuing appropriation for lesser time periods, i.e. equal to 2/12th or 1/12th of the FY20 budget if appropriate.

In the current circumstance, as the Acting Mayor, it is my legal opinion that you have the legal authority to seek a continuing appropriation equal to 1/12 of the FY20 budget prior to the commencement of FY21 on July 1, 2020. However, given that the new mayor will not formally take office until July 10, 2020, the Council would either have to meet and consider a subsequent appropriation (to be submitted by the new mayor) for August 2020 after July 10, 2020, or you, as Acting Mayor would have to seek a 2/12th continuing appropriation prior to July 1, 2020.

Development Overlay District 1
Gardner, Massachusetts

Dear Council President and Members:

On behalf of Traven Development LLC., McCarty Engineering, Inc. (MEI) is hereby requesting that under section 675-530 of the City of Gardner Zoning Ordinance that the designation of the Development Overlay District 1, that was voted into action on April 18, 2006 and approved by Mayor Gerald E. St. Hilaire on April 19, 2006 continue to apply to the property situated at 525 Parker Street. Associated with this designation we are also hereby requesting that the approved use be amended from three- and four-unit condominiums to multi-unit residential buildings.

525 Parker Street consists of two parcels totaling approximately 16.2 acres±. The properties are depicted on the City of Gardner Assessors Maps as parcels M22-1-6 and M22-6-27 both of which are zoned Industrial 1 and are configured such that they have frontage along Parker Street, Water Street and Parker Pond.

This parcel is the former location of one of Gardner's premier furniture manufactures Gem Industries who specialized in the creation of dormitory furniture. The factory and parking areas were situated to the interior portions of the site while the perimeter was marked with undulating topography and wetland systems. In the early 2000s the factory was demolished and the site has remained vacant.

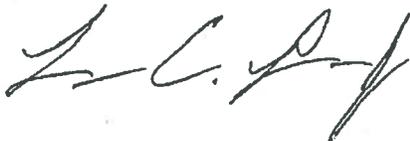

In harmony with the previously approved project and the City-wide growth and development policies, the applicant proposes to redevelop this parcel and construct three multi-family residential buildings, totaling 123 units.

The site has been configured such that the main access into the site will be off of Parker Street with an emergency access provided off of Water Street. The parking lots have been located within the interior of the site with the buildings positioned alongside the edge of the parking. This configuration allows for the buildings to buffer the parking areas to the abutting residences. Linked to this properties' revitalization, an extensive landscape plan is proposed which will aid in accenting the building architecture, complimenting the natural elements while also providing buffering and screening. A traffic-assessment memorandum has been submitted with this cover letter detailing the potential impact this project would have on the surrounding area.

This request to amend the Overlay district is the first step in the permitting process. This project will require the filing for a Special Permit and Site Plan Review from the Planning Board and a Notice of Intent with the local Conservation Commission and DEP.

We feel this proposed development is consistent with the intent of the Development Overlay District 1 and we look forward to working with City Council on this matter. If you have any questions or comments, please feel free to contact our office.

Sincerely,

Lar Greene, RLA

Subject: Traffic Assessment
Parker Estates Apartment Development
Gardner, Massachusetts
From: Kim Eric Hazarvartian, Ph.D., P.E., PTOE
Principal
Date: July 7, 2020

INTRODUCTION

TEPP LLC to prepare this traffic-assessment memorandum (TAM) regarding the proposed Parker Estates apartment development in the City of Gardner, Massachusetts.

This TAM concludes that:

- relevant sight distances for the Parker Street/proposed driveway intersection provide for greater than the Parker Street speed limit
- the project is anticipated to have no significant impact on area traffic operations
- further traffic-impact analysis is not warranted

PROJECT DESCRIPTION

The existing site:

- has an area of about 706,849 square feet
- was previously developed as an industrial use
- fronts on the north side of Parker Street
- has residential development to the north and east
- has Parker Pond and a railroad to the west

The project:

- provides a total of 123 dwelling units in three three-story buildings
- includes a proposed driveway intersecting the north side of Parker Street about 700 feet (ft) west of Rock Street

- includes a proposed emergency-access driveway intersecting the west side of Water Street about 180 ft south of the end of the street

PARKER STREET

Parker Street:

- functions as arterial street
- connects the City central business district, to the east, and the Town of Templeton, to the west
- is under the jurisdiction of the City and is signed as Massachusetts Route 101

Parker Street near the site:

- is oriented about east-west
- has a tangent horizontal alignment
- includes a minor westbound downgrade
- has a marked travelway with one lane per direction
- has curb and sidewalk on the south side
- has asphaltic-cement-concrete pavement in poor-to-fair condition
- includes utility poles on the west side, some with luminaires
- provides access for residential development
- underpasses a railroad about 300 ft west of the proposed driveway location

WATER STREET

Water Street:

- functions as local street
- is oriented roughly north-south
- extends from Branch Street, to the south, to the end of the street, to the south, a length of about 650 ft
- is under the jurisdiction of the City

Water Street near the site:

- has tangent alignment that includes a turn about 140 ft south of the proposed driveway location
- included minor grades
- has an unmarked travelway providing one lane per direction
- has curb and sidewalk on the east side
- has asphaltic-cement-concrete pavement in fair-to-good condition
- includes utility poles on the north side, some with luminaires
- provides access for residential development

SIGHT DISTANCES

The American Association of State Highway and Transportation Officials (AASHTO) has established authoritative policy for sight distances at unsignalized intersections in terms of:

- stopping sight distance (SSD)
- optional intersection sight distance (ISD)

SSD:

- provides for safety
- enables a driver, on the major road, to perceive and react accordingly to a vehicle entering the major road from a minor road
- is conservative because it encompasses a wide range of brake-reaction times and deceleration rates¹

Optional ISD:

- is ordinarily greater than SSD and may enhance traffic operations
- is not required for safety²

Table 1 shows relevant available sight distances for the Parker Street/proposed driveway intersection. Stopping sight distances are available for greater than the Parker Street speed limit.

¹ AASHTO, *A Policy on Geometric Design of Highways and Streets*, 6th Edition (Washington, DC, 2011), pages 3-2 to 3-6.

² AASHTO, pages 9-28 to 9-29.

Table 1. Sight distances for Parker Street/proposed driveway intersection.

Movement and View	Available Sight Distance (ft) ^a	Speeds (mph)		
		Limit	SSD	ISD
Movement—Left Turns from Proposed Driveway				
View—To and from Parker Street East Leg	700	30	50+	50+
View—To and from Parker Street West Leg	700	30	50+	50+
Movement—Right Turns from Proposed Driveway				
View—To and from Parker Street East Leg	700	30	50+	50+
Movement—Left Turns from Parker Street				
View—To and from Parker Street East Leg	700	30	50+	50+

^a From field assessment on June 30, 2020.

For the Water Street/proposed emergency-access driveway intersection, sight distances extend from the horizontal turn, to the south, and the end of street, to the north.

TRIP GENERATION

The Institute of Transportation Engineers (ITE) publishes trip-generation information in the authoritative *Trip Generation Manual*.³ This information is based on empirical data for a variety of land uses including multifamily housing (mid-rise), land use 221, based on dwelling units⁴

Table 2 shows calculated weekday vehicle-trips for the proposed 123-dwelling-unit development as:

Table 2. Calculated weekday vehicle-trip generation.

Time Period and Direction	Vehicle-Trips ^a		
	Total	In	Out
Daily	669	334	335
AM-Street-Peak Hour	42	11	31
PM-Street-Peak Hour	54	33	21

^a Based on ITE, multifamily housing (mid-rise), land use 221, 123 dwelling units.

³ ITE, *Trip Generation Manual*, 10th Edition (Washington DC, September 2017).

⁴ ITE, *Trip Generation Manual*, Volume 2, Data, Residential (Land Uses 200-299), pages 71 to 149.

- daily, 669 (total of in and out)
- AM-street-peak hour, 42 (11 in and 31 out)
- PM-street-peak hour, 54 (33 in and 21 out)

POTENTIAL TRAFFIC IMPACTS

ITE suggests that land developments generating at least 100 peak-hour vehicle trips, in the busier direction, are candidates for consideration of traffic impact analysis.⁵ Tabulated peak-hour trip generation due to the proposed redevelopment is well below this national ITE threshold.

The proposed redevelopment is calculated to generate 42 to 54 vehicle-trips during tabulated peak hours, split:

- in versus out of the site
- along Parker Street to and from the east
- along Parker Street to and from the west

This represents averages of about:

- 10 to 14 vehicles per hour per direction on Parker Street east or west of the site
- 1 vehicle per 4 to 6 minutes per direction on Parker Street east or west of the site

On this basis, the proposed development is anticipated to have no significant impact on area traffic operations.

CONCLUSION

This TAM concludes that:

- relevant sight distances for the Parker Street/proposed driveway intersection provide for greater than the Parker Street speed limit
- the project is anticipated to have no significant impact on area traffic operations
- further traffic-impact analysis is not warranted

RE: Parker Estates
525 Parker Street
Development Overlay District 1
Gardner, Massachusetts

Dear Council President and Members:

On February 19, 2020, on behalf of Traven Development LLC., McCarty Engineering, Inc. (MEI) submitted a request that under section 675-530 of the City of Gardner Zoning Ordinance that the designation of the Development Overlay District 1, that was voted into action on April 18, 2006, and approved by Mayor Gerald E. St. Hilaire on April 19, 2006, continue to apply to the property situated at 525 Parker Street.

Due to the impact of the Covid-19 virus on the City's meeting schedule and the Governor's stay at home order, we will not be able to meet the required 65-day time period for action on a zoning amendment.

As such, we respectfully request that the Council vote to allow us to withdraw our request without prejudice. We plan to adjust the proposed plan based on the input received from the Planning Board and the Director of Community Development & Planning and then resubmit our request to restart the clock.

Please feel free to contact me with any questions and we thank you in advance for your consideration.

Sincerely,

UNFINISHED BUSINESS AND MATTERS FOR RECONSIDERATION

#10252

As action was taken under the Report of the Public Welfare Committee, President Kazinskas cited the Petitioner's request to withdraw without prejudice *A Petition by Traven Development LLC to renew the designation of two (2) parcels at 525 Parker Street as a Development Overlay District 1.*

NEW BUSINESS

Councillor James Walsh commended the Office of the City Clerk in managing the response to Early Voting applications and balloting, noting that it is a new undertaking.

President Kazinskas informed the Council that she has been working with Information Technology Director Bob O'Keefe to provide appropriate platforms for hosting all meetings, including Council committees. Department heads and committee/commission chairs have been notified that Zoom-broadcast meetings will be supplemented via YouTube and be streamed live and added that the public will be able to attend meetings virtually, she said.

CLOSING PRAYER

President Kazinskas led the Council in the Closing Prayer.

ACCEPTANCE OF NATIONAL GUARD ARMORY POLL SITE IMPACT REPORT

VOTE: To accept the National Guard Armory Poll Site Impact Report, in accordance with Section 11 of Chapter 115 of the Acts of 2020.

CITY OF GARDNER MASSACHUSETTS

OFFICE OF THE
CITY CLERK

NATIONAL GUARD ARMORY POLL SITE IMPACT REPORT

As required by Section 11 of Chapter 115 of the Acts of 2020

Purpose

Due to the recent sale of the Knights of Columbus Hall and its unavailability for continued use as a polling facility, a review of available publicly-accessible facilities within the boundaries of Ward 5 was undertaken.

Review

A comprehensive review of publicly-accessible facilities in Ward 5 identified the National Guard Armory, located at 323 West Broadway (Route 2A), as the only site that, with temporary modifications, meets the criteria for accessibility, public convenience, public health (i.e. COVID-19), spaciousness, affordability, and long-term use potential. The City utilized the Armory as the Ward 5 polling site from the early 1970's through the mid 1980's.

Survey

A survey conducted for accessibility for the National Guard Armory found that the installation of a portable 8' ramp with handrails at the main entrance, coupled with the proper siting of three temporary Accessible parking signs, would achieve compliance. The Main entrance doors, the interior doors leading to the Assembly Hall, and the paths of travel from the parking lot to the front entrance, are compliant.

Convenience and Safety

The Armory is a secure, State-owned and managed facility with a very large assembly hall for voting, providing for greater social distancing and ample room for voters to assemble before approaching the voting booths. Plentiful parking is available off-street in the large fenced-in parking lot and there is ample on-street parking, as well.

Impact

The location of the Armory would not have a disparate adverse impact on access to the polls on the basis of race, national origin, disability, income or age. The Armory is conveniently located near the crossroads of Route 68 (Timpany Boulevard) and Route 2A (West Broadway), is approximately 6/10 of a mile from the former Knights of Columbus Hall, and along both MART Bus Routes (1 & 2).
