Mrs. Pelavin called the meeting to order at 10:11 a.m.

Policy EBCFA – Face Coverings was reviewed and discussed. This is a new policy developed and recommended by the Massachusetts Association of School Committees (MASC) for consideration of adoption by Districts. The Subcommittee recommended changes to the policy that included the removal of procedural language. It was recommended that the removed language be added to a Face Covering Procedure document that will be created by the District Nurse Leader, Becky McCaffrey, to accompany the Face Covering Policy document. A motion was made by Mrs. Pelavin and seconded by Mrs. Cormier to send the policy with the recommended changes to the August 31, 2020 full School Committee Meeting for a first reading for adoption. The motion passed unanimously. The Subcommittee also requested that this policy be added to the August 28, 2020 Policy Subcommittee Meeting in the event that further discussion is required.

The Subcommittee also discussed whether or not to revise the newly adopted COVID-19 Management Policy to reflect the newly created MASC sample policy, EBC-S - Policy on COVID-related Issues. The Subcommittee determined that the District’s current policy language did not need revision, however, the Subcommittee did request that the District Policy by named, “File: EBC-S” to align with the MASC recommended policy. A motion was made by Mrs. Pelavin and seconded by Mrs. Cormier to send the policy with the recommended changes to the August 31, 2020 full School Committee Meeting for a first reading for adoption. The motion passed unanimously.

The next Policy Subcommittee meeting will occur on Friday August 28, 2020 at 1:00 p.m. in the Superintendent’s Conference Room.
A motion was made by Mrs. Cormier and seconded by Mrs. Hurst to adjourn the meeting. The motion passed unanimously. The meeting adjourned at 10:50 a.m.
