

CITY OF GARDNER, MASSACHUSETTS
CITY COUNCIL FINANCE COMMITTEE
MINUTES OF MEETING OF SEPTEMBER 16, 2020

The Finance Committee meeting was called to order remotely by Council President Elizabeth Kazinskas at 12:00 p.m. Finance Committee Members Councillors Ronald Cormier and James Walsh were also present via Zoom.

President Kazinskas announced that pursuant to Governor Baker's March 12, 2020 Order Suspending Certain Provisions of the Open Meeting Law, G.L. c. 30A, §20, and the Governor's March 15, 2020 Order imposing strict limitation on the number of people that may gather in one place, this meeting of the Finance Committee will be conducted via remote participation on Zoom. The audio recording, transcript, or other comprehensive record of proceedings will be posted on the City's website as soon as possible after the meeting and the meeting is being broadcast live on Gardner's YouTube Channel.

Also participating remotely were Mayor Michael Nicholson; Human Resources Director Debra Pond; City Auditor John Richard; School Director of Facilities Wayne Anderson; DPW Director Dane Arnold; and, City Clerk Alan Agnelli.

1-1 Reading and Approval of Minutes of Prior Meeting.

On a motion by Councillor Ronald Cormier and seconded by Councillor James Walsh, on call of the roll, it was voted to approve the Minutes of the July 29, 2020 and the September 2, 2020 Meetings, as printed.

2-1 An Order Appropriating \$75,000.00 from Free Cash to Pool Filtration System.

Debra Pond, Greenwood Pool Administrator, informed the Committee that she is working with the Purchasing Department to obtain a written quote for the additional installation costs.

Councillor Walsh suggested that the Committee seek more time until it receives additional information.

The Mayor noted that it is easier to replace the system while there is water in the pool.

The Committee postponed action.

AN ORDER APPROPRIATING A SUM OF MONEY FROM FREE CASH TO POOL
FILTRATION SYSTEM ACCOUNT.

ORDER: That there be and is hereby appropriated the sum of Seventy-Five Thousand
Dollars and No Cents (\$75,000.00) from Free Cash to the Pool Filtration System
Account.

2-2 An Order Authorizing the City to Borrow \$250,000.00 for Route 140 Water Storage Tank Repairs.

DPW Director Dane Arnold informed the Committee that the tank was last painted in 2005 and power washing and painting is needed. An additional \$50,000 is included in the Order for unanticipated repairs and/or replacements for the tank. He added that

he is seeking a Loan since there is no certified Free Cash in the Enterprise Fund.

Councillor Walsh suggested that the proposed 25% contingency seems high.

Mr. Arnold stated that 25% represents the maximum contingency amount in the Bid, adding that he does not wish to have to come back to the City Council if more funds are needed.

On Councillor Walsh's question, Mr. Arnold informed the Committee that he anticipates that the Enterprise Fund's Free Cash would be certified later in the year and that borrowing for the project would be for a short term and be paid sooner.

Councillor Walsh questioned whether an inspection revealed any damage to the structure.

Mr. Arnold stated that the structure is fine and that the interior needs to be treated.

On a motion by Councillor Ronald Cormier and seconded by Councillor James Walsh, on call of the roll, it was voted to recommend to the City Council that the following Order ought to pass:

ORDER: That the City of Gardner appropriates the sum of Two Hundred Fifty Thousand Dollars (\$250,000) to pay costs of repairing and repainting the elevated water storage tank located off of Route 140, including the payment of all costs incidental and related thereto; that to meet said appropriation the Treasurer, with the approval of the Mayor, is authorized to borrow said sum under M.G.L. c. 44, §8(7A), or any other enabling authority, and to issue bonds or notes of the City therefor. Any premium received upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with M.G.L. c. 44, §20, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount.

2-3 An Order Authorizing the City to Borrow \$450,000.00 for Replacing Pall Filters at Crystal Lake Water Treatment Facility.

DPW Director Dane Arnold informed the Committee that the filters were last replaced in 2004-2005, that each has a life expectancy of 10-12 years, and that he was advised that the filters be replaced soon. The cost include the filters, labor, fittings, tubing, etc. and that the contract is via a sole-source procurement since the Crystal Lake Water Treatment Facility uses Pall filters, he said. He added that he would provide the Committee with the Quote from the Contractor.

Councillor Walsh requested to see the Sole Source Procurement exception from Chapter 30B. The Mayor said that the citation would be provided to the Committee.

On a motion by Councillor Ronald Cormier and seconded by Councillor James Walsh, on call of the roll, it was voted to recommend to the City Council that the following Order ought to pass, subject to receipt of the Sole Source Procurement exception under Chapter 30B and documentation of total project costs.

ORDER: That the City of Gardner appropriates the sum of Four Hundred Fifty Thousand Dollars (\$450,000) to pay costs of replacing the Pall filters at the Crystal Lake Water Treatment Facility, including the payment of all costs incidental and related thereto; that to meet said appropriation the Treasurer, with the approval of the Mayor, is authorized to borrow said sum under M.G.L. c. 44, §8(7A), or any other enabling authority, and to issue bonds or notes of the City therefor. Any premium received upon the sale of any bonds or notes approved by this vote, less any such premium applied to the payment of the costs of issuance of such bonds or notes, may be applied to the payment of costs approved by this vote in accordance with M.G.L. c. 44, §20, thereby reducing the amount authorized to be borrowed to pay such costs by a like amount.

Councillor Walsh remarked that \$185,000 for installation of the filters seems to be high.

6-1 A Measure Authorizing an Eighth Amendment to the April 9, 1968 Lease Between the City and Henry Heywood Memorial Hospital (Ref: *Council Calendar No. 10119*).

The Mayor informed the Committee that he spoke with Attorney Deb Phillips concerning the legal fees associated with the Lease (#10329) and the Easement Relocation (#10330) and reported that the total hasn't been computed, but that it is around \$11k. He added that the final statement would be provided to the City Council in time for its meeting.

Councillor Walsh noted that the Committee is being asked to recommend action when it does not have the information before it – the legal fees and the Hospital's commitment to pay the legal fees. He added that the Committee's report with this information will not be adequate for the City Council.

President Kazinskas asked the Mayor to provide the information for Monday's Council meeting.

The Committee postponed action on the following Lease until the next meeting:

ACCEPTANCE OF NATIONAL GUARD ARMORY
POLL SITE IMPACT REPORT

VOTE: To accept the National Guard Armory Poll Site Impact Report, in accordance with Section 11 of Chapter 115 of the Acts of 2020.

NATIONAL GUARD ARMORY POLL SITE IMPACT REPORT
As required by Section 11 of Chapter 115 of the Acts of 2020

Purpose

Due to the recent sale of the Knights of Columbus Hall and its unavailability for continued use as a polling facility, a review of available publicly-accessible facilities within the boundaries of Ward 5 was undertaken.

Review

A comprehensive review of publicly-accessible facilities in Ward 5 identified the National Guard Armory, located at 323 West Broadway (Route 2A), as the only site that, with temporary modifications, meets the criteria for accessibility, public convenience, public health (i.e. COVID-19), spaciousness, affordability, and long-term use potential. The City utilized the Armory as the Ward 5 polling site from the early 1970's through the mid 1980's.

Survey

A survey conducted for accessibility for the National Guard Armory found that the installation of a portable 8' ramp with handrails at the main entrance, coupled with the proper siting of three temporary Accessible parking signs, would achieve compliance. The Main entrance doors, the interior doors leading to the Assembly Hall, and the paths of travel from the parking lot to the front entrance, are compliant.

Convenience and Safety

The Armory is a secure, State-owned and managed facility with a very large assembly hall for voting, providing for greater social distancing and ample room for voters to assemble before approaching the voting booths. Plentiful parking is available off-street in the large fenced-in parking lot and there is ample on-street parking, as well.

Impact

The location of the Armory would not have a disparate adverse impact on access to the polls on the basis of race, national origin, disability, income or age. The Armory is conveniently located near the crossroads of Route 68 (Timpany Boulevard) and Route 2A (West Broadway), is approximately 6/10 of a mile from the former Knights of Columbus Hall, and along both MART Bus Routes (1 & 2).

6-1 A Measure Authorizing an Eighth Amendment to the April 9, 1968 Lease Between the City and Henry Heywood Memorial Hospital (Ref: Council Calendar No. 10119).

The Committee postponed action since the Mayor reported that Attorney Phillips is awaiting information from National Grid.

6-2 A Measure Authorizing an Easement Relocation Agreement Between the City of Gardner and Massachusetts Electric Company (Ref: Finance Committee Agenda No. 6-1).

The Committee postponed action as no new information has been received from Attorney Phillips.

6-3 A Measure Authorizing a Grant of Easement to Massachusetts Electric Company for an "OVERHEAD SYSTEM" and "UNDERGROUND ELECTRIC DISTRIBUTION SYSTEM" at 200 Catherine Street (Gardner High School).

City Solicitor John Flick informed the Committee that he received some corrections that Wayne Anderson forwarded to National Grid.

Mr. Anderson said that National Grid plans to improve service to the High School, as well as extending poles along Blanchard Street.

Attorney Flick questioned National Grid about abandonment of poles and about an Easement Release.

The Committee continued the matter until the next meeting.

GRANT OF EASEMENT

However, said Grantee, its successors and assigns, will properly backfill said excavation or excavations and restore the surface of the land to as reasonably good condition as said surface was in immediately prior to the excavation or excavations thereof.

If said herein referred to locations as approximately shown on the sketch herein also referred to are unsuitable for the purposes of the Grantee, its successors and assigns, then said locations may be changed to areas mutually satisfactory to both the Grantor and the Grantee herein; and further, said newly agreed to locations shall be indicated and shown on the sketch above referred to by proper amendment or amendments thereto. The Grantor, for itself, its successors and assigns, covenant and agrees with the Grantee, for itself, its successors and assigns, that this Grant of Easement and the location of the Overhead System and Underground System may not be changed or modified without the written consent of the Grantee, its successors and assigns, which consent may be withheld by the Grantee in its sole discretion.

He noted that the Fire Department utilizes two different types of SCBAs. The Mayor added that the additional \$50,000 will be used to purchase a second set of turnout gear for each Firefighter which would allow a change of gear between calls.

CITY OF GARDNER, MASSACHUSETTS
CITY COUNCIL FINANCE COMMITTEE
MINUTES OF MEETING OF SEPTEMBER 2, 2020

Councillor Walsh questioned the timing of the installation and suggested that replacement could occur in the spring of 2021 when the City has a better handle on its finances. He added that no documentation was presented to the Committee that details the additional costs.

Debra Pond informed the Committee that she is working with the Purchasing Department to ascertain whether there is an approved contractor on the State Bid List. She added that the fall may be better to have the system replaced as opposed to the spring, as weather conditions in the spring may not be conducive.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged under seal, the parties hereto agree as follows:

SECTION I - RELOCATION AGREEMENT

1.1 Subject to the term and conditions set forth in this Agreement, the City hereby agrees to execute and deliver the Easement Relocation Documents to MEC within thirty (30) days following the execution of this Easement Relocation Agreement. Upon receipt and recordation of the Easement Relocation Documents and payment of the Estimate, MEC shall record the Partial Release in the form attached hereto as Exhibit C and made a part hereof.

SECTION 2 - COSTS AND EXPENSES; PAYMENT

2.1 The City shall be solely responsible for, and hereby agrees to pay the entire cost of, the Easement Relocation including, without limitation, general and administrative costs; the costs to prepare the Easement Relocation Plan; recording fees, and expenses as set forth in this Agreement.

2.2 MEC estimates that the total cost of the work done by MEC hereunder is equal to One Thousand Six Hundred and Fifty Dollars (\$1,650.00) (the “Estimate”), and the City hereby acknowledges receipt of this Estimate. The City hereby acknowledges that (a) the Estimate is only a good faith estimate of the total costs that MEC will incur in connection with the Easement Relocation as of the date of the Estimate; (b) that the Estimate may not include all categories of expenses associated with the Easement Relocation; and (c) that the City is responsible for all categories of expenses associated with the Easement Relocation, regardless of whether such categories of expenses are included in the Estimate. Notwithstanding the foregoing, at this time, MEC does not anticipate the total costs to substantially exceed the Estimate. It is agreed and understood that the City’s total financial responsibility for the Costs of this Easement Relocation Plan shall not exceed Two Thousand Five Hundred (\$2,500.00) Dollars.

2.3 Immediately upon the City’s execution and delivery of these presents to MEC, the City shall deliver to MEC the following: (a) a certified check in an amount equal to the Estimate (the “Estimate Payment”). Upon the recording of all of the Easement Relocation Documents and

SECTION 3 - CONDITIONS TO MEC'S OBLIGATIONS

3.1 MEC's obligations under this Agreement to deliver the Partial Release to the City are expressly contingent upon (a) the prompt payment to MEC by the City of any and all amounts required to be paid hereunder; (b) the execution, delivery, and recording of the New Easement and the Easement Relocation Plan; (c) MEC shall have received from the City, at the City's sole cost and expense, good, clear, record and marketable title to the New Easement, free and clear of all liens and encumbrances having priority over the New Easement; (d) receipt by MEC of releases, consents, and/or subordinations of any sublessees, assignees, mortgagees or any other party whose interest in the Property has priority over MEC's interest in the New Easement (collectively, the "Subordination Documents") generally in the form attached hereto as Exhibit D and made a part hereof, which Subordination Documents shall be obtained by the City at its sole cost and expense and shall be satisfactory to MEC in its sole but reasonable discretion; (e) receipt by MEC of all votes and authority documents ("Authority Documents") evidencing the City's and, with respect to the Subordination Documents, other such entities authority to enter into, and be bound by, all of the agreements referenced or described herein, which Authority Documents shall be obtained at the City's sole cost and expense and shall be satisfactory to MEC in its sole but reasonable discretion; and (f) the City's compliance with all of the other terms and conditions of this Agreement.

SECTION 4 - PARTIAL RELEASE OF EASEMENT RIGHTS

4.1 Until such time as a Partial Release has been executed by MEC and recorded with the Registry, nothing in this Agreement shall be deemed or construed as an abandonment or release of any of the rights and easements of MEC, and MEC specifically reserves said rights and easements, including without limitation the rights to clear and keep cleared the Existing MEC Easement of all vegetation and structures that may interfere with its easement, to pass and repass with vehicles and equipment, to reconstruct, maintain, operate, repair, renew, replace, add to and otherwise change any power lines, structures, guys, anchors or other facilities to meet the needs of its business, to construct towers, poles and lines of higher voltage thereon, and to relocate existing and/or future transmission structures, towers, poles and lines, at MEC's cost and expense.

SECTION 5 - DEFAULT

5.1 In the event the City shall at any time fail to make any payment due hereunder to MEC or fail to observe or perform any of the other covenants and agreements required to be performed and observed by the City and such default shall continue for a period of thirty (30) days for monetary obligations (for which no notice shall be necessary) or for a period of thirty (30) days

after written notice to the City (or if such default is incapable of being cured in a reasonable manner within thirty (30) days, the City has not commenced to cure the same within said thirty (30) day period and diligently prosecuted the same to completion) and the City shall not cure such default, then subject to the provisions of this Section 5, MEC shall be entitled, at its election, to bring suit for the collection of such payments or other amounts for which the City may be in default, for the performance of any other City covenant or agreement hereunder, including specific performance, and for any damages incurred by MEC, all without terminating this Agreement. MEC shall also be entitled, at its election, to terminate this Agreement. In the event MEC terminates this Agreement, all obligations of MEC shall cease and terminate (except those that expressly survive the termination of this Agreement), except that MEC may sue for and collect all direct and related indirect costs of the Easement Relocation not previously paid by the City and other amounts due as a result of the City's default and all damages to MEC by reason of any such breach.

SECTION 6-MISCELLANEOUS

6.1 This Agreement shall not be assignable, in whole or in part, by the City to any other person or entity, and any such assignment in violation of this provision shall be null and void. It is agreed and understood that the City may be reimbursed and/or indemnified by HHH to the full extent of the Costs and liabilities under this Agreement and that such reimbursement and/or indemnification shall not be interpreted as a violation of this Section 6.1 of this Agreement.

6.2 This Agreement and any amendment hereof may be executed in several counterparts and by each party on a separate counterpart, each of which when so executed and delivered shall be an original and all of which together shall constitute one instrument. In proving this Agreement, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom enforcement is sought.

6.3 The terms and provisions of this Agreement shall be binding upon and inure to the benefit of the respective legal representatives, successors and/or assigns of the parties hereto.

6.4 All Exhibits referred to herein are intended to be and hereby are specifically made a part of this Agreement.

There are no restrictions, promises, representations, warranties, covenants or undertakings, other than those expressly set forth or referred to herein or therein. This Agreement supersedes all prior agreements and understandings between the parties with respect to the subject of this Agreement.

6.7 Subject to the terms and conditions of this Agreement, each of the parties hereto will use all reasonable efforts to take, or cause to be taken, all action, and to do, or cause to be done, all things necessary, proper or advisable under applicable laws, rules and regulations to complete and make effective the Easement Relocation pursuant to this Agreement. From time to time after the date hereof, without further consideration but subject to the terms and conditions of this Agreement, the City will, at its own expense, execute and deliver such documents to MEC as MEC may reasonably request in order more effectively to complete the Easement Relocation. From time to time after the date hereof, without further consideration but subject to the terms and conditions of this Agreement, MEC will, at the City's sole cost and expense, execute and deliver such documents to the City as the City may reasonably request in order more effectively to complete the Project.

The City hereby represents and warrants to MEC that the City is the record owner of the Property.

6.10 This Agreement shall automatically terminate, be of no further force and effect and without recourse to either party except for those provisions contained herein that expressly survive the termination of this Agreement upon the earlier of (a) completion of the Easement Relocation; or (b) December 31, 2021. The City understands and agrees that, regardless of whether this Agreement is terminated for any reason, including without limitation the City's default hereunder, the City shall be solely responsible and liable for and hereby agrees to pay the entire Cost of the Easement Relocation Plan, not to exceed Two Thousand Five Hundred (\$2,500.00) Dollars.

SUBJECT: Greenwood Pool Filtration System

Dear Mayor Nicholson:

I am respectfully requesting an appropriation in the amount of \$75,000.00 for a new filtration system for the Greenwood outdoor pool facility. The current filtration system is over thirty (30) years old and springing leaks. We will make it through this season, but it will not survive another season. The proposal is to install the new system after the pool closes for the season and before the snow falls so that we will have a turnkey operation in the early summer.

We have a proposal for a Whitten 1U-2C-90 Two-Cell Pressure Sand Filter in the amount of \$42,500.00. This is the cost of the filtration system delivered to the site. It does not include:

- Offloading or placement in the filter building;
- Installation by a mechanical contractor/commercial pool contractor; or
- Engineering consultation for preparation of system changes for presentation to the Board of Health.

The estimated cost for these items are included in the appropriation request. Thank you for your consideration. If you have any questions, please contact me.

Sincerely,

Debra A. Pond

Laterals

The laterals in the Whitten Pressure Filtration System are attached to the interior perimeter of the tank by end-nipples which ensure stabilization during periods of backwash and high volume flow.

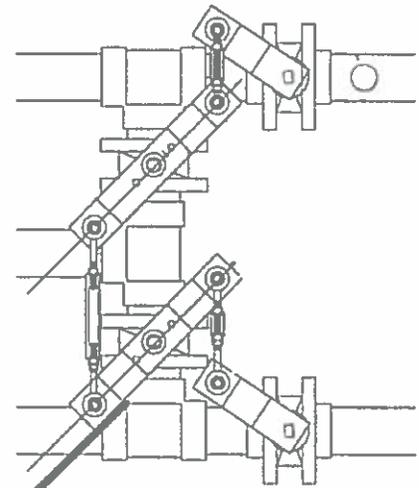

Over Drain

Whitten internal over drain distribution system is carefully designed to provide the most uniform and efficient flows through the filter sand-media bed. Precise distribution of water flow ensures longer filter runs and maximum dirt holding capacity of the filter sand-media bed.

Face Piping

Whitten face piping incorporates user friendly single lever linkage. This allows operator simplicity by moving one lever in order to activate valves for backwashing. Whitten's standard valves are nylon coated with undercut wafer for early valve-seating and efficiency.

Access Hatch

An oversized access hatch is standard on all Whitten Pressure filters. With its rectangular shape and a size of 18" x 14", it allows for easy operator inspection of internal components or media. It features an industrial grade heavy-duty gasket that is designed to be reused after each inspection. The Whitten gasket eliminates the inconvenience and cost of reordering and replacing gaskets each time you inspect the filter.

RE: Loan Order

September 3, 2020

Dear Mayor Nicholson:

The **Water Department** is requesting a **\$700,000 Loan Order** for 2 Items:

Painting the Elevated Storage Tank located off Route 140
Estimated Cost \$250,000

The Water Department painted the elevated storage tank in 2004. We recently inspected the exterior of the tank and found it is in need of pressure washing, minor repairs, and painting. We have since gone out to bid and had a low bid of \$200,000 and will add \$50,000 for contingency.

Replacing the Filters in the Crystal Lake Water Treatment Facility
Estimated Cost \$350,000 - \$450,000

The Pall filters located in the Crystal Lake Water Treatment Facility are approximately 14 years old and at the point where they need to be replaced. These are the main filtration filters for the City's drinking water. This estimate covers the replacement of all 177 filters at a cost of approximately \$1,500 each, plus parts, and labor to install.

We will look into a short term loan (4-7 years) to pay for these improvements. We have programed this loan into our Water Forecast Budget and the existing rate structure, as voted and approved by the City Council in 2019, supports this loan without an additional rate increase.

If you have any questions, please feel free to contact my office.

Re: City of Gardner and Heywood Memorial Hospital

Dear Councilors:

Enclosed please find:

- Eighth Amendment to Lease
- Easement Relocation Agreement (with exhibits).

At the request of Mayor Hawke, in 2019 I prepared a complete history of the Lease arrangement between the City and Heywood Memorial Hospital (the Hospital). At that time, the Mayor wanted to know; 1) if the Hospital is occupying City-owned land not covered by the current iteration of the Lease and if so, 2) how it may be remedied.

After an extensive review, I advised the Mayor that, in my opinion, the Hospital is currently occupying land which is not included in the Lease. The situation is complicated by two facts. The Hospital's solar parking facility was constructed on a portion of the City's property not subject to the Lease, and it also stands on part of an easement the City previously granted to Massachusetts Electric Company (now National Grid).

The situation may be remedied by a series of agreements by and between the parties. First, the City and the Hospital may amend the Lease as set forth in the enclosed Eighth Amendment to Lease. Second, National Grid may relocate its easement. In fact, National Grid has agreed to relocate its easement and developed the enclosed package of documents to reflect this relocation.

Since the Easement Relocation Agreement is between the City and the utility, and is being done as an accommodation to resolve the matter with the least amount of expense to all concerned, it requires the City to pay the utility's relocation costs. These are estimated to be \$1,650 and are capped at \$2,500. The Hospital has agreed to reimburse the City for this expense. On behalf of the City, I reviewed and approve the enclosed Eight Amendment to Lease and the Easement Relocation Agreement.

At this time, in my opinion, the Council may vote to further amend the 1968 Lease between the City and the Hospital as set forth in the enclosed Eighth Amendment to Lease, and vote to grant National Grid the easement as set forth in the enclosed Easement Relocation Agreement. Following the endorsement and recording of these documents, National Grid will endorse and record a release of the earlier easement, upon which the Hospital's parking structure stands.

For further background, you will find a complete history of the Lease arrangement between the City and the Hospital commencing in 1968 in my letter of September 17, 2019, addressed to Mayor Hawke. A short summary of that history may be found in my letter of January 28, 2020 addressed to the Finance Committee.

I want to thank the City Clerk, the Planning Department and the City's Engineer for the excellent assistance and cooperation lent to me while I worked on this project. As always, it is a pleasure and a privilege to serve the City. If you have any further questions or concerns regarding this matter, please do not hesitate to contact me.

Very truly yours,

Re: **City of Gardner and Heywood Memorial Hospital**

Dear Councilors:

Enclosed please find:

- Eighth Amendment to Lease
- **Easement Relocation Agreement (with exhibits).**

At the request of Mayor Hawke, in 2019 I prepared a complete history of the Lease arrangement between the City and Heywood Memorial Hospital (the Hospital). At that time, the Mayor wanted to know; 1) if the Hospital is occupying City-owned land not covered by the current iteration of the Lease and if so, 2) how it may be remedied.

After an extensive review, I advised the Mayor that, in my opinion, the Hospital is currently occupying land which is not included in the Lease. The situation is complicated by two facts. The Hospital's solar parking facility was constructed on a portion of the City's property not subject to the Lease, and it also stands on part of an easement the City previously granted to Massachusetts Electric Company (now National Grid).

The situation may be remedied by a series of agreements by and between the parties. First, the City and the Hospital may amend the Lease as set forth in the enclosed Eighth Amendment to Lease. Second, National Grid may relocate its easement. In fact, National Grid has agreed to relocate its easement and developed the enclosed package of documents to reflect this relocation.

Since the Easement Relocation Agreement is between the City and the utility, and is being done as an accommodation to resolve the matter with the least amount of expense to all concerned, it requires the City to pay the utility's relocation costs. These are estimated to be \$1,650 and are capped at \$2,500. The Hospital has agreed to reimburse the City for this expense. On behalf of the City, I reviewed and approve the enclosed Eighth Amendment to Lease and the Easement Relocation Agreement.

At this time, in my opinion, the Council may vote to further amend the 1968 Lease between the City and the Hospital as set forth in the enclosed Eighth Amendment to Lease, and vote to grant National Grid the easement as set forth in the enclosed Easement Relocation Agreement. Following the endorsement and recording of these documents, National Grid will endorse and record a release of the earlier easement, upon which the Hospital's parking structure stands.

For further background, you will find a complete history of the Lease arrangement between the City and the Hospital commencing in 1968 in my letter of September 17, 2019, addressed to Mayor Hawke. A short summary of that history may be found in my letter of January 28, 2020 addressed to the Finance Committee.

I want to thank the City Clerk, the Planning Department and the City's Engineer for the excellent assistance and cooperation lent to me while I worked on this project. As always, it is a pleasure and a privilege to serve the City. If you have any further questions or concerns regarding this matter, please do not hesitate to contact me.

Very truly yours,

It is agreed that the Facilities shall remain the property of the Grantee, its successors and assigns and that the Grantee, its successors and assigns shall pay all taxes assessed thereon.

It is the intention of the Grantor to grant to the Grantee, its successors and assigns, all the rights and easements aforesaid and any and all additional and/or incidental rights needed to construct, reconstruct, install, repair, maintain, operate, use, inspect, patrol, renew, replace, add to, and otherwise change, for the transmission and distribution of high and low voltage electric energy and the transmission of intelligence, the Facilities over, under, through, across, within, and upon the Easement Area, and the Grantor hereby agrees to execute, acknowledge, and deliver to the Grantee, its successors and assigns, such further deeds or instruments as may be necessary to secure to them the rights and easements intended to be herein granted.

WHEREAS, the parties have reached an agreement as to the terms and conditions under which MEC is willing to undertake the Easement Relocation, and they desire to hereby document their agreement as to such.

NOW, THEREFORE, in consideration of the mutual covenants and agreements contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged under seal, the parties hereto agree as follows:

SECTION 1 - RELOCATION AGREEMENT

1.1 Subject to the term and conditions set forth in this Agreement, the City hereby agrees to execute and deliver the Easement Relocation Documents to MEC within thirty (30) days following the execution of this Easement Relocation Agreement. Upon receipt and recordation of the Easement Relocation Documents and payment of the Estimate, MEC shall record the Partial Release in the form attached hereto as Exhibit C and made a part hereof.

SECTION 2 - COSTS AND EXPENSES; PAYMENT

2.1 The City shall be solely responsible for, and hereby agrees to pay the entire cost of, the Easement Relocation including, without limitation, general and administrative costs; the costs to prepare the Easement Relocation Plan; recording fees, and expenses as set forth in this Agreement.

2.2 MEC estimates that the total cost of the work done by MEC hereunder is equal to One Thousand Six Hundred and Fifty Dollars (\$1,650.00) (the "Estimate"), and the City hereby acknowledges receipt of this Estimate. The City hereby acknowledges that (a) the Estimate is only a good faith estimate of the total costs that MEC will incur in connection with the Easement Relocation as of the date of the Estimate; (b) that the Estimate may not include all categories of expenses associated with the Easement Relocation; and (c) that the City is responsible for all categories of expenses associated with the Easement Relocation, regardless of whether such categories of expenses are included in the Estimate. Notwithstanding the foregoing, at this time, MEC does not anticipate the total costs to substantially exceed the Estimate. It is agreed and understood that the City's total financial responsibility for the Costs of this Easement Relocation Plan shall not exceed Two Thousand Five Hundred (\$2,500.00) Dollars.

2.3 Immediately upon the City's execution and delivery of these presents to MEC, the City shall deliver to MEC the following: (a) a certified check in an amount equal to the Estimate (the "Estimate Payment"). Upon the recording of all of the Easement Relocation Documents and

the Partial Release, the City shall pay, on demand, any and all direct and indirect costs and expenses incurred by MEC in connection with the Easement Relocation to the extent said costs and expenses exceed the Estimate Payment, up to Two Thousand Five Hundred (\$2,500.00) Dollars.

SECTION 3 - CONDITIONS TO MEC'S OBLIGATIONS

3.1 MEC's obligations under this Agreement to deliver the Partial Release to the City are expressly contingent upon (a) the prompt payment to MEC by the City of any and all amounts required to be paid hereunder; (b) the execution, delivery, and recording of the New Easement and the Easement Relocation Plan; (c) MEC shall have received from the City, at the City's sole cost and expense, good, clear, record and marketable title to the New Easement, free and clear of all liens and encumbrances having priority over the New Easement; (d) receipt by MEC of all votes and authority documents ("Authority Documents") evidencing the City's and, (e) the City's compliance with all of the other terms and conditions of this Agreement.

SECTION 4 - PARTIAL RELEASE OF EASEMENT RIGHTS

4.1 Until such time as a Partial Release has been executed by MEC and recorded with the Registry, nothing in this Agreement shall be deemed or construed as an abandonment or release of any of the rights and easements of MEC, and MEC specifically reserves said rights and easements, including without limitation the rights to clear and keep cleared the Existing MEC Easement of all vegetation and structures that may interfere with its easement, to pass and repass with vehicles and equipment, to reconstruct, maintain, operate, repair, renew, replace, add to and otherwise change any power lines, structures, guys, anchors or other facilities to meet the needs of its business, to construct towers, poles and lines of higher voltage thereon, and to relocate existing and/or future transmission structures, towers, poles and lines, at MEC's cost and expense.

4.2 MEC shall have no obligation to execute and deliver a Partial Release of Easement for portions of the Existing MEC Easement until the conditions set forth in Section 3 hereof have been satisfied.

SECTION 5 - DEFAULT

5.1 In the event the City shall at any time fail to make any payment due hereunder to MEC or fail to observe or perform any of the other covenants and agreements required to be performed and observed by the City and such default shall continue for a period of thirty (30) days for monetary obligations (for which no notice shall be necessary) or for a period of thirty (30) days after written notice to the City (or if such default is incapable of being cured in a reasonable manner within thirty (30) days, the City has not commenced to cure the same within said thirty (30) day period and diligently prosecuted the same to completion) and the City shall not cure such default, then subject to the provisions of this Section 5, MEC shall be entitled, at its election, to bring suit for the collection of such payments or other amounts for which the City may be in default, for the performance of any other City covenant or agreement hereunder, including specific performance, and for any damages incurred by MEC, all without terminating this Agreement. MEC shall also be entitled, at its election, to terminate this Agreement. In the event MEC terminates this Agreement, all obligations of MEC shall cease and terminate (except those that expressly survive

the termination of this Agreement), except that MEC may sue for and collect all direct and related indirect costs of the Easement Relocation not previously paid by the City and other amounts due as a result of the City's default and all damages to MEC by reason of any such breach.

5.2 In the event that MEC fails to record the Partial Release within thirty (30) days following the recordation of the Easement Relocation Documents, the City shall be entitled to bring suit for specific performance of the recordation of the Partial Release.

SECTION 6-MISCELLANEOUS

6.1 This Agreement shall not be assignable, in whole or in part, by the City to any other person or entity, and any such assignment in violation of this provision shall be null and void. It is agreed and understood that the City may be reimbursed and/or indemnified by HHH to the full extent of the Costs and liabilities under this Agreement and that such reimbursement and/or indemnification shall not be interpreted as a violation of this Section 6.1 of this Agreement.

6.2 This Agreement and any amendment hereof may be executed in several counterparts and by each party on a separate counterpart, each of which when so executed and delivered shall be an original and all of which together shall constitute one instrument. In proving this Agreement, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom enforcement is sought.

6.3 The terms and provisions of this Agreement shall be binding upon and inure to the benefit of the respective legal representatives, successors and/or assigns of the parties hereto.

6.4 All Exhibits referred to herein are intended to be and hereby are specifically made a part of this Agreement.

6.5 This Agreement, including the Exhibits, easements, documents, agreements, certificates and instruments referred to herein, embody the entire agreement and understanding of the parties hereto in respect of the transactions contemplated by this Agreement. There are no restrictions, promises, representations, warranties, covenants or undertakings, other than those expressly set forth or referred to herein or therein. This Agreement supersedes all prior agreements and understandings between the parties with respect to the subject of this Agreement.

6.6 The section headings contained in this Agreement are solely for the purpose of reference, are not part of the agreement of the parties hereto and shall not in any way affect the meaning or interpretation of this Agreement.

6.7 Subject to the terms and conditions of this Agreement, each of the parties hereto will use all reasonable efforts to take, or cause to be taken, all action, and to do, or cause to be done, all things necessary, proper or advisable under applicable laws, rules and regulations to complete and make effective the Easement Relocation pursuant to this Agreement. From time to time after the date hereof, without further consideration but subject to the terms and conditions of this Agreement, the City will, at its own expense, execute and deliver such documents to MEC as MEC may reasonably request in order more effectively to complete the Easement Relocation. From time to time after the date hereof, without further consideration but subject to the terms and

conditions of this Agreement, MEC will, at the City's sole cost and expense, execute and deliver such documents to the City as the City may reasonably request in order more effectively to complete the Project.

6.8 Each of the parties hereto hereby represents and warrants to the other party hereto that (a) such party has the power and authority to execute, deliver and perform its respective obligations under this Agreement, and (b) the person(s) executing and delivering this Agreement on behalf of such party are duly authorized to so execute and deliver this Agreement. The City hereby represents and warrants to MEC that the City is the record owner of the Property.

6.9 The City hereby acknowledges that MEC would not undertake the Easement Relocation but for the following, as set forth in this Agreement: (a) the City's agreement to pay for all of the direct and related indirect costs incurred by MEC in connection with the Easement Relocation; and (b) the City's agreement to obtain the Easement Relocation Documents.

6.10 This Agreement shall automatically terminate, be of no further force and effect and without recourse to either party except for those provisions contained herein that expressly survive the termination of this Agreement upon the earlier of (a) completion of the Easement Relocation; or (b) December 31, 2021. The City understands and agrees that, regardless of whether this Agreement is terminated for any reason, including without limitation the City's default hereunder, the City shall be solely responsible and liable for and hereby agrees to pay the entire Cost of the Easement Relocation Plan, not to exceed Two Thousand Five Hundred (\$2,500.00) Dollars.

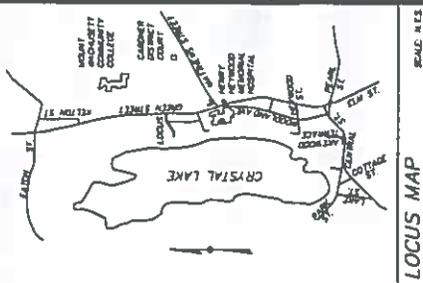

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed by their respective duly authorized representatives, under seal, on the day and year first written above.

WHEREAS, MASSACHUSETTS ELECTRIC COMPANY, a Massachusetts corporation (hereinafter "MEC") with a place of business at 40 Sylvan Road, Massachusetts, is the owner of certain rights and easements over land located in the City of Gardner, Worcester County, Massachusetts, acquired under that certain easement deed from the City of Gardner to MEC dated October 2, 1973 and recorded with the Worcester District Registry of Deeds (the "Registry") in Book 5396, Page 226, and shown on that plan recorded with the Registry in Plan Book 389 as Plan 38 (hereinafter the "Easement");

WHEREAS, the CITY OF GARDNER, a municipal corporation with an address c/o City Hall, 95 Pleasant Street, Gardner, MA 01440 (hereinafter, the "City"), is the owner of that parcel of land in the City of Gardner, Worcester County, Massachusetts, more particularly described in that certain deed from Heywood Farm, Inc., to the City dated July 29, 1937 and recorded with the Registry in Book 2701, Page 9 (hereinafter the "Land"), which Land is subject, in part, to the Easement;

WHEREAS, the City has requested a partial release of the Easement on the Land, and MEC has agreed to such partial release as hereinafter set forth.

NOW THEREFORE, MEC, for consideration of One Dollar (\$1.00) and other good and valuable consideration paid, and for the other covenants and agreements described herein, the receipt and sufficiency of which are hereby acknowledged, hereby releases to the City and unto all persons claiming by, through and under the City, that portion of the Easement on the Land shown shaded and labeled as "APPROXIMATE LOCATION OF 30' WIDE MASSACHUSETTS ELECTRIC COMPANY EASEMENT BK. 5396-226 PL. It is the intention of MEC and the City that this instrument constitutes only a partial release of the Released Portion of the Easement located on the Land. Mayor,

Thanks for the conversation last week. To confirm where we are, here follows my understanding of the current status, and next steps.

National Grid has decided that it doesn't need subordination from the hospital if the 8th Amendment (adding the almost 1 acre of city land to their leasehold) is recorded first in time. Henry Heywood agreed to reimburse the city for costs up to the cap set forth in the attached copy of the "Relocation Agreement" between the city and Grid. You will confirm that agreement with Win Brown and the fact that we don't need a formal "waiver and indemnification" agreement to insure reimbursement. If you and he are content with a 'gentleman's agreement' on the reimbursement I'm fine with that. It's a fairly small sum – all things considered. The city will simply invoice the hospital and it will send a check.

In terms of an 'agenda' for closing out this whole deal, in accordance with my communications with Grid's attorney, Grid will take responsibility for recording all the documents. In order to accomplish that, Grid will need;

- The Easement Relocation Agreement signed by you and a check for \$1,650.00;
- The original 8th Amendment between the HHH and the City, also signed.;
- Assuming the costs to this point don't exceed \$1,650.00, Grid will also record the release of the old easement at the same time;
- If the costs exceed \$1,650.00 -up to a cap of \$2,500.00 - Grid will record the release when it receives an additional payment from the city if that becomes necessary.

To get to the point where Grid has all of the documents and a check in hand, we need the following approvals;

- Vote that the city through its mayor further amend the 1968 Lease (as set forth in the Eighth Amendment to Lease)
- Vote that the city through its mayor grant the relocation of an easement to National Grid (as set forth in the Easement Relocation Agreement)
- Appropriate \$2000.00 to cover the costs of the easement relocation and recording fees.

Grid will send a final for endorsement and remove Exhibit D – the subordination which is no longer needed- but attached is the final (clean) version as edited by me and Grid's attorney. As I mentioned, they cannot/will not remove the default provisions without an Act of Congress or dispensation from the Pope. It really doesn't apply anyway, because we will send a city check with the signed documents to Grid's counsel.

Please don't hesitate to let me know if you need anything else or have any questions. Thanks again.
 Debbie

Good Morning Mr. Flick,

I hope this email finds you well.

Thank you for calling my attention to the typo within the easement. This matter has been rectified and the revised easement is attached hereto.

The sketch attached to our easement clearly shows the former line being removed and relocated to a new location. Once this easement is signed and recorded it will supersede the former easement of record that used old Pole 9-4, and establish this new location. Our easements are written according to placement as you will see on page two of the easement, with the wording "...the final definitive locations of said "OVERHEAD SYSTEM" and "UNDERGROUND SYSTEM" shall become established by and upon the installation and erection thereof by the Grantee." In the future should we wish to use the old location of Pole 9-4, we would have to come to the City and request an easement to do so.

As you are well aware, the reason the line is being moved is to provide ease of access. This ease of access is extremely important in the event of an outage for it allows us to rectify any issues in a fast and efficient manner. This becomes most important when the line is serving an area such as 200 Catherine Street.

I thank you in advance for your time and attention. If I may be of further assistance, please do not hesitate to contact me.

Ms. Morancy,

I am the City Solicitor for the City of Gardner. I have been working to obtain approval for the relocation of the pole and easement on Catherine Street, Gardner. Please see the issues discussed below regarding the proposed easement relocation. One significant concern is the abandonment of the existing ROW. Can you confirm that the existing ROW will be released once the new easement is granted.

John Flick

Hi John,

Has National Grid corrected the error in the easement yet?

National Grid says the poles are co-owned with Verizon. And, Verizon will be responsible for removing the old poles.

Hello all,

Please see notes on attached easement and sketch.

- 1) There is a typo in the easement. They listed the address as 300 Catherine Street. It should be 200 Catherine Street.
- 2) Should they remove the easement for the existing overhead utility pole and cabling?
- 3) Should we note removal of existing utility pole P9-4?

I have contacted National Grid for clarification on the project need.

Also, I need to contact Verizon regarding their portion of the project.

And further, said "OVERHEAD SYSTEM" and "UNDERGROUND SYSTEM" (locations of the electrical equipment and other facilities on the hereinbefore referred to premises of the Grantor) are approximately shown on a sketch entitled: "Exhibit "A" Not Drawn To Scale; The exact location of said facilities to be established by and upon the installation and erection of the facilities thereof.; Easement Sketch For New Poles, Anchors & Overhead Wires At 200 Catherine St, Gardner, Ma (Gardner High School); Date: 05/21/2020; Designer: S.W. Also with the further perpetual right and easement from time to time without further payment therefore to pass and repass over, across and upon said land of the Grantor as is reasonable and necessary in order to renew, replace, repair, remove, add to, maintain, operate, patrol and otherwise change said "OVERHEAD SYSTEM" and "UNDERGROUND SYSTEM" and each and every part thereof and to make such other excavation or excavations as may be reasonably necessary in the opinion and judgment of the Grantee, its successors and assigns, and to clear and keep cleared the portions and areas of the premises wherein the "OVERHEAD SYSTEM" and "UNDERGROUND SYSTEM" are specifically located, as shown on the sketch herein referred to, of such trees, shrubs, bushes, above ground and below ground structures, objects and surfaces, as may, in the opinion and judgment of the Grantee, interfere with the efficient and safe operation and maintenance of the "OVERHEAD SYSTEM" and "UNDERGROUND SYSTEM" and other related electrical equipment. However, said Grantee, its successors and assigns, will properly backfill said excavation or excavations and restore the surface of the land to as reasonably good condition as said surface was in immediately prior to the excavation or excavations thereof.

The Grantor, for itself, its successors and assigns, covenant and agrees with the Grantee, for itself, its successors and assigns, that this Grant of Easement and the location of the Overhead System and Underground System may not be changed or modified without the written consent of the Grantee, its successors and assigns, which consent may be withheld by the Grantee in its sole discretion.

It is the intention of the Grantor to grant to the Grantee, its successors and assigns, all the rights and easements aforesaid and any and all additional and/or incidental rights needed to install, erect, maintain and operate within the Grantor's land an "OVERHEAD SYSTEM" and "UNDERGROUND SYSTEM" for the transmission of intelligence and for the purpose of supplying electric service for the building, buildings or proposed buildings shown on the last herein referred to sketch or amended sketch and the right to service others from said "OVERHEAD SYSTEM" and "UNDERGROUND SYSTEM".

It is agreed that the "OVERHEAD SYSTEM" and "UNDERGROUND SYSTEM" shall remain the property of the Grantee, its successors and assigns, and that the Grantee, its successors and assigns, shall pay all taxes assessed thereon.
