**GUIDELINES FOR EXTENSION OF PREMISES TO
PATIO AND OUTDOOR AREAS**

1. Alcoholic beverages cannot be served outside of a licensed establishment unless and until an application to extend the licensed premises has been approved.
2. An application to extend the premises must describe the area in detail, including dimensions, seating capacity, and maximum occupancy.
3. The premises must be enclosed by a fence, rope, or other means to prevent access from a public walkway.
4. The outdoor area must be contiguous to the licensed premises with either (a) a clear view of the area from inside the premises, or, alternatively (b) the licensee may commit to providing management personnel dedicated to the area.
5. The applicant must have a lease or documents for the right to occupy the proposed area.
6. The licensing authorities should consider the type of neighborhood and the potential for noise in the environs.
7. Preferred are outdoor areas where alcohol is served to patrons who are seated at the tables and where food is also available.
