

# GES Summer Reading Challenge Book Chains

- Read **18 books or more** and record each title on a separate paper link - they are attached in this packet. The link to the right is your first one. This link should include your full name. Color your links to make your chain unique to you!!!! (Favorite Colors/Designs)
- A parent or guardian must sign off on each title in the witness area of additional links (sun image).
- Glue, tape or staple the links together to create your chain. **WATCH YOUR CHAIN GROW!!!**
- If you run out of links, cut your own and add them to your reading chain.
- Return your chain to your homeroom teacher on the first day of school .
- All participants who read 18 or more books will receive a **VERY SPECIAL TOKEN to the NEW WILDCAT BOOK VENDING MACHINE!!!**

The research says that children who **DO NOT READ** in the summer can lose two to three months of reading skills. Kids who **DO READ** tend to gain a month of reading proficiency.
