ADDENDUM 1  
INVITATION FOR BID  
GHS Intruder Lock Project Rebid

The purpose of this addendum is to notify all interested bidders of the following change(s), deletion(s), addition(s) or clarification(s) to the specifications and all bid documents for the bid listed.

This addendum forms a part of the contract documents and modifies the original bidding documents. **Acknowledge receipt of this addendum in the space provided on the Form for General Bid. Failure to acknowledge on the Bid Form may result in the rejection of your bid.** This addendum consists of one (1) typed page.

#### **Questions / Clarifications**

1. What happens if a door does not shut due to warping, age, abuse, etc.? *All classrooms are used daily and there is no current knowledge of any doors that do not shut. If one is found, the School Department's Facilities staff should be notified and will fix major issues. If there is a minor issue, such as hinge needs tightening, it is expected that the contractor would complete.*
